RAPPORT DE L'AUDITEUR DE LA PROVINCE

Exercice financier 1942-43

Suivant la Loi du revenu et de la vérification, je sou mets mon rapport sur l'apurement des comptes de la province, au nom de l'Assemblée législative, pour l'exercice terminé le 31 mars 1943.

Le budget voté pour l'année fiscale 1942-43 ayant été préparé suivant le mode de distribution en usage depuis plusieurs années, nous avons rencontré au cours de notre travail les mêmes difficultés que celles exposées à mon dernier rapport. J'avais alors exprimé le désir d'une meilleure présentation du budget, en vue de faciliter la vérification des comptes et de permettre une meilleure interprétation dans l'imputation des dépenses à l'article qui doit les supporter. Je suis heureux de dire que les modifications apportées au dernier budget me paraissent offrir des avantages considérables sur ces points.

Vu les demandes de renseignements qui nous parviennent de temps à autre, je crois opportun d'exposer que le mode de vérification en usage à notre bureau, en ce qui a trait aux déboursés, est celui de l'examen des pièces justificatives avant paiement. En ce qui concerne les revenus et les encaissements, le contrôle et la vérification première s'exercent sous la direction du Contrôleur du revenu (S. R., c. 73) ou, le cas échéant, des officiers des départements concernés, et le Bureau de l'auditeur exerce une surveillance sur la manipulation interne des perceptions et fait l'examen des comptes.

Les comptes généraux sont tenus au Département du trésor, tandis que les comptes particuliers de revenus et dépenses sont tenus dans chacun des départements, sous la direction de leur comptable.

Les transactions de l'exercice sont résumées aux divers états et annexes suivants:

ÉTATS: Bilan.
 Revenus et dépenses.
 Sommaire de la caisse.
 Prévisions budgétaires, crédits votés et dépenses.
 Mandats spéciaux.

ANNEXES: A-1 à A-8 — Détail du bilan.
 B-1 à B-15 — Distribution du revenu par sources en général
 et par département en particulier.
 C-1 à C-20 — Dépenses classifiées par département.
 D-1 à D-12 — Divers.

La liste complète de ces états et annexes est donnée à la suite du présent rapport (page 2).

RÉSULTAT DES OPÉRATIONS:

L'état des revenus et dépenses, page 12, démontre que les opérations de l'exercice se soldent par un excédent des revenus sur les dépenses de toute nature de \$870,876.45.

DETTE NETTE:

La dette nette de la province était de \$311,912,083.62 le 31 mars 1943. Si l'on compare ce montant avec celui de la fin de l'exercice 1942, on constate une diminution de \$1,242,831.73.

REPORT OF THE PROVINCIAL AUDITOR

Fiscal Year 1942-43

In conformity with the provisions of The Provincial Audit Act, I beg to submit my report on the public accounts of the Province, audited on behalf of the Legislative Assembly, for the financial year ended March 31, 1943.

The Budget voted for the fiscal year 1942-43 had been prepared in the same form as that of the previous years; consequently, we met with difficulties similar to those set forth in our previous report. In order to facilitate the audit of the accounts and to permit of a more precise application of the expenditures to the various budgetary items, I had then expressed the necessity of a better method of preparing the future Budgets,—and, I am pleased to be in a position to state that the modifications adopted in the last Budget seem to present considerable improvements in that respect.

In view of certain questions put to us from time to time, I deem it opportune to state that, as far as disbursements are concerned, the method of audit adopted by our Office consists of examining the vouchers supporting such payments before the issuance of cheques. Revenues and Receipts are under the immediate control and supervision of the Comptroller of Provincial Revenue (R. S., c. 73) or, as the case may be, by the officers of the departments concerned, the Auditor's Office overseeing the internal handling of the sums collected and examining the relative accounts.

The general accounts are kept in the Treasury Department, whilst individual accounts of Revenue and Expenditure are taken care of by each department under the direction of its accountant.

The transactions of the fiscal period are summarized in the following Statements and Schedules :

STATEMENTS: Balance Sheet
Revenue and Expenditure
Summary of the Cash
Statutory Estimates, Credits voted and Expenditures.
Special Warrants

SCHEDULES: A-1 to A-8 — Details of Balance Sheet.
B-1 to B-15 — Distribution of Revenue by sources in general
and by department in particular.
C-1 to C-20 — Expenditures classified by department.
D-1 to D-12 — Miscellaneous.

The complete list of Statements and Schedules is shown at the conclusion of this report (page 2).

OPERATIONS OF THE FISCAL PERIOD:

The Statement of Revenue and Expenditure, page 12, shows that the year's operations resulted in an over-all excess of revenues over expenditures of \$870,-876.45.

NET DEBT:

The net debt of the Province as at March 31, 1943, amounted to \$311,912,-083.62. This amount compared with the figures at the close of the 1942 fiscal year reveals a decrease of \$1,242,831.73.

Durant l'année en cours, la province a assumé les obligations des Ecclésiastiques du Séminaire de Saint-Sulpice, au montant de \$4,000,000.00, et celles de la Corporation du pont du Lac Saint-Louis, au montant de \$2,885,405.91. Ces obligations avaient antérieurement été garanties par la province.

DETTE CONSOLIDÉE:

Une somme de \$7,130,482.93 a été prélevée à même les revenus pour le fonds d'amortissement de la dette consolidée. Le solde de ce fonds s'élève maintenant à \$46,395,879.22 lequel déduit de la dette totale laisse un montant net de \$332,460,220.15, soit une diminution de \$464,522.74 sur l'exercice précédent.

Des émissions au total de \$50,270,000.00 échues au cours de l'année ont été rachetées, alors que de nouvelles émissions pour un montant de \$57,525,000.00 ont été vendues; par contre, les bons du trésor s'élevaient à \$25,550,000.00 le 31 mars 1942 et ce chiffre fut abaissé à \$16,000,000.00, d'où une diminution de \$9,550,000.00 durant la période.

COMPTES À PAYER:

Les comptes à payer au 31 mars 1943 se chiffraient par \$9,475,046.20, à comparer à \$3,994,291.74 à la même date en 1942, soit une augmentation de \$5,480,754.46, comme suit:

| | 31 mars 1943 | 31 mars 1942 | Augmentation |
|-------------------------------------|---------------------|---------------------|---------------------|
| Mandats..... | \$ 8,962,292.54 | \$ 3,616,388.08 | \$ 5,345,904.46 |
| Fonds de l'Assistance publique..... | 280,000.00 | 270,000.00 | 10,000.00 |
| Divers..... | 232,753.66 | 107,903.66 | 124,850.00 |
| | <u>9,475,046.20</u> | <u>3,994,291.74</u> | <u>5,480,754.46</u> |

COMPTES À RECEVOIR:

Les comptes à recevoir, moins la réserve pour créances douteuses, démontrent une augmentation de \$1,112,697.20 pour l'année 1942-43 sur l'exercice 1941-42. En voici le détail:

| | 31 mars 1943 | 31 mars 1942 | Augmentation (a) ou Diminution (d) |
|--------------------------------------|----------------------|----------------------|--|
| Comptes à recevoir..... | \$ 19,312,252.24 | \$ 19,147,076.23 | \$ 165,176.01 (a) |
| Réserve pour créances douteuses..... | 6,184,534.58 | 7,132,055.77 | 947,521.19 (d) |
| | <u>13,127,717.66</u> | <u>12,015,020.46</u> | <u>1,112,697.20 (a)</u> |

PRÊTS À L'OFFICE DU CRÉDIT AGRICOLE:

Au cours de l'année, la province a effectué des prêts à l'Office du crédit agricole pour un total de \$2,400,000.00; par ailleurs, l'Office a remboursé à la province durant la période \$1,825,000.00, laissant un solde débiteur de \$575,000.00, lequel, ajouté à celui existant au début de l'exercice, donne un montant de \$39,500,000.00 au 31 mars 1943, tel qu'inscrit au bilan.

During the year under review the Province assumed the obligations of the Ecclesiastics of the Seminary of St. Sulpice to the amount of \$4,000,000.00, and those of the Corporation of the Lake St. Louis Bridge for \$2,885,405.91; these obligations previously having been guaranteed by the Province.

FUNDED DEBT:

A sum of \$7,130,482.93 has been taken from the revenues for the Sinking Funds aggregating \$46,395,879.22, which deducted from the total debt leaves a balance of \$332,460,220.15,—a decrease of \$464,522.74 over the previous period.

Loans amounting to \$50,270,000.00 matured during the year were redeemed and new loans issued for a total of \$57,525,000.00. Treasury Bills outstanding as at March 31, 1942, aggregated \$25,550,000.00, whereas for the last fiscal year they amounted to \$16,000,000.00, a decrease of \$9,550,000.00 for the 1943 fiscal period.

ACCOUNTS PAYABLE:

The Accounts Payable of the fiscal period ended March 31, 1943, amounted to \$9,475,046.20, whereas at the same date in 1942 they were \$3,994,291.74, an increase of \$5,480,754.46, viz:

| | March 31, 1943 | March 31, 1942 | Increase |
|----------------------------|---------------------|---------------------|---------------------|
| Warrants..... | \$ 8,962,292.54 | \$ 3,616,388.08 | \$ 5,345,904.46 |
| Public Charities Fund..... | 280,000.00 | 270,000.00 | 10,000.00 |
| Miscellaneous..... | 232,753.66 | 107,903.66 | 124,850.00 |
| | <u>9,475,046.20</u> | <u>3,994,291.74</u> | <u>5,480,754.46</u> |

ACCOUNTS RECEIVABLE:

The Accounts Receivable, less reserve for doubtful accounts, show an increase of \$1,112,697.20 for the year 1942-43 over 1941-42, viz:

| | March 31, 1943 | March 31, 1942 | Increase (i) or Decrease (d) |
|------------------------------------|----------------------|----------------------|------------------------------------|
| Accounts Receivable..... | \$ 19,312,252.24 | \$ 19,147,076.23 | \$ 165,176.01 (i) |
| Reserve for Doubtful Accounts..... | 6,184,534.58 | 7,132,055.77 | 947,521.19 (d) |
| | <u>13,127,717.66</u> | <u>12,015,020.46</u> | <u>1,112,697.20 (i)</u> |

LOANS TO QUEBEC FARM CREDIT BUREAU:

Loans by the Province to the Bureau during the financial period reached \$2,400,000.00, of which \$1,825,000.00 was reimbursed during the year, leaving a debit balance of \$575,000.00 added to the amount existing at the beginning of the year, thus showing a debit balance of \$39,500,000.00 at March 31, 1943, as appears on the Balance Sheet.

Une somme additionnelle de \$4,642.50 fut prêtée à l'Office pour satisfaire des demandes faites suivant l'article 41 de la loi. Cette somme a été remboursée en entier avant la fin de l'année.

ESCOMPTE SUR OBLIGATIONS:

Au 31 mars 1942, le solde de ce compte était de \$5,471,821.55; l'escompte sur les émissions nouvelles ayant été de \$750,500.00 et le montant amorti de \$602,487.11, le montant apparaissant aux livres au 31 mars 1943 est donc de \$5,619,834.44.

IMMOBILISATIONS:

Les déboursés de l'année ont été de \$11,830,995.93, tel qu'il appert à l'état général des dépenses, page 18.

Tel qu'autorisé par le statut 6 Geo. VI, c. 8, le gouvernement a transféré à la Cité de Montréal les propriétés du Jardin Botanique et de l'Île Sainte-Hélène, pour recevoir en retour l'immeuble de la cour des jeunes délinquants. La valeur aux livres des premiers item, qui était de \$10,500,826.40, a été radiée du compte "Aide aux chômeurs nécessiteux". Par contre, on a ajouté au compte "Édifices publics" la valeur municipale de l'immeuble de la cour des jeunes délinquants, soit \$359,000.00.

Par contrat passé entre l'Université de Montréal et le gouvernement, en date du 22 décembre 1942, diverses propriétés situées rues Saint-Denis et Saint-Hubert ont été transportées au gouvernement. Le prix fixé par la loi (5 Geo. VI, c. 7) est de \$800,000.00.

Les statuts 1 Geo. VI, c. 38 et 3 Geo. VI, c. 48, autorisaient le gouvernement à acquérir la Seigneurie de Témiscouata ainsi que la Réserve indienne de Nédélec; les sommes alors payées furent capitalisées. Par la suite, la majeure partie de ces lots furent vendus au prix régulier de 30 cents l'acre et le produit porté au revenu.

Dans ces conditions, le prix payé pour l'acquisition de ces terres aurait dû être porté au compte de revenu et dépense, puisque l'idée était de retourner au domaine de la couronne ces propriétés et de les vendre aux conditions habituelles. Afin de faire les corrections qui s'imposaient, ces sommes ont donc été déduites du surplus accumulé, tel qu'il appert au bilan.

Un montant égal à celui des obligations des Ecclésiastiques du Séminaire de Saint-Sulpice et de la Corporation du pont du Lac Saint-Louis a été inscrit comme valeur comptable des actifs reçus par la province selon les lois s'y rapportant.

REVENUS:

Comme suite à la Loi concernant une convention entre le Dominion et la Province pour la suspension de certaines taxes en temps de guerre (6 Geo. VI, c. 27), la perception des impôts sur les corporations (capital et profits), l'impôt de Québec sur le revenu et la taxe de remboursement des subsides de chemins de fer, fut discontinuée. Par ailleurs, le gouvernement fédéral combla cette diminution de revenus; le détail en est donné à l'annexe B-13, page 57.

Je suis d'opinion que les filiales de Montreal Light, Heat & Power Consolidated, telles que Cedar Rapids Manufacturing & Power Company et autres, sont assujetties aux dispositions de la Loi de l'impôt sur les corporations (S. R., c. 77).

An additional sum of \$4,642.50 was loaned to the Bureau to meet demands under section 41 of the Act. This sum has been reimbursed in full before the end of the period.

DISCOUNT ON BOND ISSUES:

This item showed a balance of \$5,471,821.55 at March 31, 1942; discount on new issues amounted to \$750,500.00 and the sum amortized \$602,487.11, leaving a balance of \$5,619,834.44 as at March 31, 1943.

CAPITAL EXPENDITURES:

The disbursements of the year amounted to \$11,830,995.93 as shown on the general statement of Expenditures, page 18.

Under authority of the Act 6 Geo. VI, c. 8, the Government assigned to the City of Montreal the properties of the Botanical Gardens and of St. Helen's Island, receiving in return the property known as the "Juvenile Delinquents' Court". The book value of the first two items, which was \$10,500,826.40, has been written off the "Unemployed Aid Act" account. On the other hand, \$359,000.00, the municipal valuation of the Juvenile Delinquents' Court property has been added to "Public Buildings" account.

Under contract entered into December 22, 1942, between the University of Montreal and the Government, various properties situated on St. Denis and St. Hubert streets were transferred to the latter, at the price of \$800,000.00, as determined by the Act 5 Geo. VI, c. 7.

In virtue of the Acts 1 Geo VI, c. 38 and 3 Geo. VI, c. 48, the Government of the Province was authorized to acquire the Témiscouata Seignior as well as the Nédélec Indian Reserve, the sums paid therefor being capitalized. Subsequently most of the lots were disposed of at the regular price of 30 cents per acre, the proceeds being carried to Revenue.

The price paid for the acquisition of these lands should have been carried to the Revenue and Expenditure account as it was the intention to return these properties to the Crown, to be sold under the usual conditions. In order to effect necessary corrections, these sums have been deducted from the Cumulative Surplus, as shown on the Balance Sheet.

An amount equal to the sum of the obligations of the Ecclesiastics of the Seminary of St. Sulpice and of the Corporation of Lake St. Louis Bridge has been inscribed at the book value of the assets turned over to the Province in virtue of the Acts relating thereto.

REVENUE:

In consequence of the Act respecting an agreement between the Dominion and the Province for the suspension of certain taxes in war time (6 Geo. VI, c. 27) the collection of Taxes on Corporations (capital and profits), the Quebec Income Tax, and the Railway Subsidy Repayment Tax, was discontinued. As an offset, the Federal Government compensates for this decrease in revenue, details of which are given in Schedule B-13, page 57.

I am of the opinion that the subsidiaries of the Montreal Light, Heat & Power Consolidated, such as the Cedar Rapids Manufacturing & Power Company and others, are subject to the provisions of the Corporation Tax Act (R. S., c. 77).

Le Contrôleur du revenu de la province qui m'a précédé, antérieurement à 1935, et celui qui m'a succédé en 1937, ont été d'opinion contraire dans le cas de plusieurs de ces filiales. En 1936, j'ai fait un travail préliminaire en vue d'établir les cotisations de ces compagnies, mais fus démis de mes fonctions avant d'avoir pu compléter les dossiers.

En 1942, j'ai obtenu une opinion légale affirmative et en ai fait part aux personnes en autorité, qui continuèrent l'étude des dossiers. Une mise en demeure de se conformer aux dispositions de la Loi de l'impôt sur les corporations, pour la période écoulée depuis 1939, a été transmise à ces Compagnies récemment. Des chiffres relatifs à la situation financière de Cedar Rapids Manufacturing & Power Company, dont il est fait mention ci-haut, sont donnés à l'Ordonnance de la Régie des Services Publics, publiée dans la *Gazette Officielle* du 6 mars 1943.

Le sommaire des divers revenus est donné à la page 13 et aux annexes de la série "B". Le montant et le pourcentage respectif des principaux revenus sont comme suit:

| Catégorie de revenu | Montant | Pourcentage |
|---|----------------------|---------------|
| Taxes: | | |

La comparaison avec le revenu de 1941-42, au total de \$91,998,813.77, démontre une augmentation de \$771,295.97.

Voici, dans le même ordre que le tableau précédent, les augmentations et les diminutions qui établissent cette différence:

The Comptroller of Provincial Revenue who preceded me prior to 1935, and he who succeeded me in 1937, were of a contrary opinion in respect to several of these subsidiaries. In 1936, I undertook the preliminary task of establishing the assessment of these companies, but was relieved of my duties before having completed the relative dossiers.

In 1942, I obtained an affirmative legal opinion which I duly conveyed to the proper authorities, who continued the study of the dossiers. A formal demand to comply with the provisions of the Corporation Tax Act, for the period since 1939, has been transmitted recently to these Companies. An Order of the Public Service Board, published in the *Quebec Official Gazette* of March 6, 1943, gives a detail of the financial position of the Cedar Rapids Manufacturing & Power Company, above referred to.

Revenues are summarized on page 13 and in various schedules of the "B" series. The amounts and their relevant percentages are:

| Sources | Amount | Percent- age |

| Taxes: | | |

A comparison with the revenues of \$91,998,813.77 for 1941-42 discloses an increase of \$771,295.97 for the period 1942-43.

The increases and decreases which account for the above difference are shown in the same order of distribution, viz:

| | Increases | Decreases |

Le montant de \$4,000.00, dépensé en plus des crédits votés, a été payé à M. L.-J. Lemieux, ex-Agent général de la province à Londres, pour une pension qui avait été accordée par arrêté du conseil No 1248, en date du 4 mai 1936, et par lettres patentes publiées dans la *Gazette Officielle* du 21 juin 1941. Le déboursé fut d'abord imputé à la Loi des pensions, c. 13, S. R.; récemment, j'ai étudié le cas et ai émis l'opinion que la dépense ne pouvait être portée à cet item et qu'on devrait ajouter un article à la Loi des subsides pour y pourvoir.

Le résumé des dépenses est donné à l'état des Revenus et Dépenses, page 12, et le détail pour chaque département aux annexes de la série "C", dans l'ordre alphabétique des départements.

The sum of \$4,000.00 expended over the Budget was paid as a pension to Mr. L. J. Lemieux, ex-Agent General for the Province in London, accorded by Orders-in-Council No. 1248, May 4, 1936, and letters patent as published in the *Quebec Official Gazette*, June 21, 1941. This disbursement was imputed to the Pension Act account (R. S., c. 13). A recent study of the case lead to the opinion that this amount should not have been charged against this item and that provision should be made therefor in the Appropriation Act.

A summary of Expenditures is given in the statement of Revenue and Expenditure, page 12, departmental expenditures being detailed in the various schedules of the "C" series.

Je suis informé que le traitement d'un bon nombre de fonctionnaires, incapables de remplir leurs fonctions ordinaires, pour cause d'infirmités corporelles ou mentales, leur est continué en partie ou en entier, et ce, depuis nombre d'années en certains cas.

La Loi des pensions s'étend maintenant à tout le personnel intérieur et extérieur et toute compensation autre qu'une pension est, à mon avis, payée irrégulièrement. Ces difficultés disparaîtront lorsque la Commission du service civil aura établi des règlements concernant les présences et absences et déterminant les conditions auxquelles les fonctionnaires bénéficieront des congés.

DIVERS:

L'Auditeur de la province est le vérificateur officiel de la Commission des accidents du travail; notre bureau a aussi vérifié les livres de la Commission du salaire minimum et du Syndicat national du rachat des rentes seigneuriales. Les états financiers de ces corporations sont reproduits aux annexes D-10, 11 et 12; ils sont conformes à leurs livres et représentent bien la situation financière, avec les réserves qui suivent, en ce qui concerne la Commission des accidents du travail.

Le bilan et l'état de revenu et dépense de cette dernière, tel que préparé par nous, diffèrent de ceux présentés par elle dans son rapport, par la forme et les détails, sans rien changer au résultat final, sauf en ce qui a trait aux frais de construction d'un édifice pour loger ses bureaux, au montant de \$95,918.35, que nous avons capitalisés. La réserve pour fonds de pension est établie sur une base de calcul actuariel avec intérêt au taux de 4%, alors que le rendement moyen des placements a été de 3.62% pour l'année 1942. Les autres réserves sont établies arbitrairement et ne correspondent pas nécessairement aux besoins du moment. Ces réserves dans leur ensemble sont certainement plus que suffisantes.

Centrale Électrique (S. R., c. 98, a. 78): Les chiffres se rapportant à l'exploitation de la Centrale Électrique au Témiscamingue sont donnés premièrement au bilan, pour le capital immobilisé, page 6, deuxièmement à l'annexe B-9, page 52, pour le revenu, et troisièmement à l'annexe C-14, page 31, pour le détail de la dépense. Afin de donner une idée d'ensemble de la situation financière de l'entreprise, j'annexe un bilan et un état de revenu et dépense sous le numéro D-9, pages 17 à 19.

L'analyse du coût en immobilisations a été préparée par les ingénieurs de la Commission des eaux courantes.

A. J. DOLBEC, C. P. A.,

Auditeur de la Province.

Québec, le 18 janvier 1944.

I am informed that quite a few functionaries continue to receive their salary, in full or in part, although through physical or mental infirmity they are unable to fulfill their duties; this practice existing since several years in many cases.

The Pension Act now covering all the functionaries of the inside and outside services, any compensation allowed other than a pension, in my opinion, is irregular. This situation will disappear when the Civil Service Commission has established regulations concerning the recording of presences and absences, and the determining of the conditions under which leaves may be accorded.

MISCELLANEOUS:

The Provincial Auditor is the official Auditor of the Workmen's Compensation Commission whose books have been duly verified as well as those of the Minimum Wage Commission and of the "Syndicat National du Rachat des Rentes Seigneuriales". Their financial statements are reproduced as Schedules D-10, 11 and 12; they being in agreement with the books and represent the exact financial position, subject however to the following remarks relative to the Workmen's Compensation Commission.

The Balance Sheet and the Statement of Revenue and Expenditure of the latter, appearing as Schedule D-12, differ somewhat in their form of presentation and detail from those submitted by the Commission in their report. The final result, however, is affected only to the extent of \$95,918.35 for the construction to date of a building to house its offices, which we have considered as capital expenditure. The reserve for the Pension Fund is set up on an actuarial basis with interest calculated at 4%, the average yield of investments being 3.62% for the year 1942. The other reserves have been set up arbitrarily and do not necessarily reflect actual requirements, being as a whole more than sufficient.

Hydro-Electric Plant (R. S., c. 98, s. 78): The figures relating to the operation of the Hydro-Electric Plant in Témiscamingue, are given on the Balance Sheet, page 6, as far as the immobilized capital is concerned; the Revenue is shown on Schedule B-9, page 52, and details of Expenditures in Schedule C-14, page 31. The latter not giving a complete view of the financial position of the enterprise, I therefore beg to annex a relative Balance Sheet and a Statement of Revenue and Expenditure bearing number D-9, pages 17 to 19.

The analysis of the capital disbursements has been prepared by the engineers of the Quebec Streams Commission.

Remarque:

Le Gouvernement de la Province a aussi pris possession, le 1er juillet 1940, des ponts Plessis-Bélair et Bellefeuille, tel qu'autorisé par la Loi 4 Geo. VI, c. 33. Lors de la fermeture des livres au 31 mars 1943, le prix d'achat n'avait pas encore été établi en ce qui concerne le pont Plessis-Bélair mais le Gouvernement avait fait une offre de règlement au montant de \$202,262.39 laquelle fut refusée; le 4 mai 1943, cette offre fut abaissée à \$109,398.00 et la Régie des Services Publics, par son ordonnance du 18 juin 1943, fixa le prix à \$109,899.00. Les sommes versées aux expropriés, en acompte, sont de \$167,000.00 dont \$4,000.00 payé en 1943-44, ce qui établit un excédent de \$57,101.00 sur le prix fixé par l'ordonnance de la Régie des Services Publics. La cause est en appel.

Note:

The Government of the Province, on July 1, 1940, also took possession of the Plessis-Bélair and Bellefeuille bridges, under authority of the Act 4 Geo. VI, c. 33. When the books were closed on March 31, 1943, the purchase price of the Plessis-Bélair bridge had not yet been established, but the Government had made an offer of settlement for \$202,262.39 which was refused; on May 4, 1943, this offer was reduced to \$109,398.00 and the Public Service Board, by its regulation of June 18, 1943, determined the price at \$109,899.00. The amounts paid on account to the expropriated parties reached \$167,000.00, \$4,000.00 of which was paid in 1943-44, showing an excess of \$57,101.00 over the price established by the regulation of the Public Service Board. The case is actually before the Court of Appeals.

Tel qu'expliqué aux rapports précédents, la partie impayée de l'achat des propriétés ci-haut décrites n'apparaît pas au bilan. Cependant, la somme de \$318,943.36 payée en acompte a été inscrite à ce même état sous le titre "Immobilisations" et a également été portée comme dépense, conformément à l'opinion de l'honorable Procureur général, annexée au rapport de 1940-41.

As explained in the preceding reports, the unpaid balance of the purchase price of the properties described above do not appear in the Balance Sheet. However, the sum of \$318,943.36 paid on account of their purchase is shown under the title "Capital" and carried as an expenditure, in conformity with the opinion of the Attorney General, which is annexed to the report of 1940-41.

Remarque: A la page C-11-54 des Comptes Publics de 1941-42 est inscrite une recette de \$301.57, provenant de la vente de matériel acheté de Rock County Sugar Company. Cette somme fut remise au Département du Trésor le 29 avril 1942 par les officiers du ministère. Les détails de la transaction n'accompagnaient pas cependant l'envoi et n'avaient pas été fournis lors de la préparation des Comptes Publics.

Nous avons, par la suite, constaté qu'il s'agissait d'un solde et que la recette totale provenant d'articles vendus était de \$13,795.39, laquelle somme avait été déposée à The First National Bank, à Janesville, Wisc., au nom de M. Gilbert Dionne, en fidéicommiss. Il a été, de plus, constaté que \$13,493.82 avait été employé à payer les dépenses suivantes: Banque, frais, \$1.20; Garnett Veenstra, charbon, etc., \$214; Huntley, C. S., copie des plans, \$3.75; Janesville Daily Gazette, annonce, \$14.70; Kelly, John D., dépenses de voyage, \$92.39; Merker, Paul, honoraires, \$13,000, dépenses, \$167.78. Ces sommes sont en fonds américain. Régulièrement, l'encaissement aurait du être versé au Département du Trésor et les déboursés affectés au budget du ministère concerné.

Note: On page C-11-54 of the 1941-42 Public Accounts appears a receipt in the amount of \$301.57, arising from the sale of material purchased from The Rock County Sugar Company. This amount was remitted to the Treasury Department on the 29th of April, 1942, by the departmental officers. The details of the transaction did not accompany the remittance and were supplied when the compilation of the Public Accounts had been terminated.

It was ascertained later on that this amount was only a balance and that the total sum received from the sale of material was \$13,795.39, which has been deposited with The First National Bank, in Janesville, Wisc.; and, further, that \$13,493.82 of the latter sum had been utilized to pay the following expenditures: Bank, charges, \$1.20; Garnett Veenstra, coal, etc., \$214; Huntley, C. S., blue prints, \$3.75; Janesville Daily Gazette, advertising, \$14.70; Kelly, John D., travel expenses, \$92.39; Merker, Paul, fees, \$13,000, expenses, \$167.78. These amounts are in United States funds. Customarily, the receipt should have been remitted to the Treasury Department and the disbursements imputed to the department concerned.
