

CHAPTER 77

An Act respecting the city of Grand'Mère and the school commissioners for the municipality of Grand'Mère in the county of Champlain and providing for a fixed valuation of the properties of certain companies

[Assented to, the 13th of March, 1941]

WHEREAS the city of Grand'Mère and the school ^{Preamble.} commissioners for the municipality of Grand'Mère in the county of Champlain have, by their petition, represented:

That the city of Grand'Mère, by its by-law bearing the number 375, has made provision, to be effective for a period of ten years: (a) for a fixed valuation of certain properties held by The Shawinigan Water and Power Company and by Consolidated Paper Corporation Limited; (b) for an annual contribution which must be paid to the said city by the said companies; (c) for the continuation of the functions of certain officers of the said city;

That the said by-law was approved by the elector-proprietors of the city of Grand'Mère;

That the valuations fixed by the said by-law have been accepted by the school commissioners for the municipality of Grand'Mère in the county of Champlain, by a resolution passed on the 2nd of December, 1940, to serve as the basis for the assessments to be imposed by the said commissioners during the said period;

That the valuations fixed by the said by-law are reasonable, fairly proportionate to those of the other ratepayers and sufficiently high to permit, in each case, of a proper administration;

Whereas the said city and the said commissioners have accordingly prayed for the passing of an act to confirm and ratify the said by-law and the said resolution; and

Whereas it is expedient to grant the prayer of the said city and the said commissioners;
