

CHAPTER 87

An Act respecting the school commissioners of St-Pierre-aux-Liens

[Assented to, the 27th of March, 1941]

WHEREAS the school commissioners for the municipality of St-Pierre-aux-Liens, in the county of Jacques-Cartier, have, by their petition, represented as follows: Preamble.

That during the year 1928 they entrusted the collection of their school taxes to the municipal corporation of the town of St. Pierre;

That the petitioners' fiscal year runs from the first of July to the thirtieth of June of the following year and that of the town of St. Pierre from the first of January to the thirty-first of December of the same year;

That by error the town of St. Pierre did not take into account this difference between the two fiscal years and collected the petitioners' school taxes as if they had been exigible on January 1st instead of on July 1st;

That in consequence of this error, the municipal authorities of the town of St. Pierre commenced collecting the petitioners' school taxes as if they had been exigible from January 1st, 1929, whereas they should have claimed them as being exigible from July 1st, 1928;

That this error was perpetuated until July 1st, 1938, when the petitioners again took charge of the collection of the school taxes;

That they are prejudiced by this error and unless it is corrected will lose the school taxes due them for a period of six months;

Whereas the petitioners have prayed for the passing of an act to correct the said error and it is expedient to grant such prayer;

Therefore His Majesty, with the advice and consent of the Legislative Council and of the Legislative Assembly of Quebec, enacts as follows:

Imputation
of certain
taxes
collected.

1. The taxes collected by the town of St. Pierre for and on behalf of the school commissioners for the municipality of St-Pierre-aux-Liens, in the county of Jacques-Cartier, from January 1st, 1929, shall be imputed in payment of those which were due and exigible from July 1st, 1928, and so on from year to year thereafter up to July 1st, 1938.

What certain
statements of
account
represent.

2. The statements of account for school taxes rendered to the ratepayers by the school commissioners for the school municipality of St-Pierre-aux-Liens, in the county of Jacques-Cartier, between July 1st, 1938, and June 30th, 1939, represent the taxes due and exigible for the fiscal year commencing July 1st, 1938, and ending June 30th, 1939.

Coming
into force.

3. This act shall come into force on the day of its sanction.
