

CHAPTER 82

An Act respecting the Catholic School Commission of Verdun

[Assented to, the 14th of June, 1940]

WHEREAS the Catholic School Commission of Preamble.
Verdun, in the county of Montreal-Verdun, has,
by its petition, represented:

That it is in its interest that certain existing acts
be amended respecting it, and that certain special
powers be granted to it;

That the Commission has now in its treasury the sum
of thirty-three thousand seven hundred and fifty-four
dollars and seventeen cents, which represents the
unused balance of the proceeds of certain loans effected
by it, and the premium obtained by it on the sale of
certain issues of bonds; that the Commission now needs
a temporary schoolhouse, and that it is in its interest
that such sum be applied to the construction of a
temporary schoolhouse, and to the increase of its
working capital;

That the steady and annual increase of the school
population of the city of Verdun and the expense such
increase entails weigh heavily on the budget of the
Commission; that the excess of its expenses over its
revenues for the current year amounts to about one
hundred and forty thousand dollars, and that it is
urgent to authorize it to borrow a sum of one hundred
and forty-three thousand dollars to cover such excess
and the cost of the issue;

That the city of Verdun has nearly four thousand
ratepayers having the right to vote at elections for

the Commission, and that it is advantageous, both for the Commission and for the electors, that section 151a of the Education Act (Revised Statutes, 1925, chapter 133) be amended, as to the Commission, by depriving the latter of the power to reëstablish the method of voting by word of mouth; and

Whereas the Catholic School Commission of Verdun has prayed for the passing of an act for the above purposes, and it is expedient to grant its prayer;

Therefore, His Majesty, with the advice and consent of the Legislative Council and of the Legislative Assembly of Quebec, enacts as follows:
