An Act concerning the municipality and the school  
commission of the township of Amherst

herst and the school commissioners for the mun-  
cipality of St. Rémi d'Amherst, county of Papi-  
neau, were declared in default and placed under the  
control of the Quebec Municipal Commission in 1936  
and 1932 respectively;

Whereas, in order to reorganize the finances of these  
corporations, the Municipal Commission brought about  
an arrangement between these municipalities and

of the Quebec Mining Act grants to it for five years,  
on condition that the taxes it will be called upon to pay,  
for the next eight years, be fixed at four hundred dollars  
per annum for municipal taxes, and at five hundred  
dollars per annum for school taxes;

Whereas the ratification of this arrangement is  
necessary for the reorganization of the finances of these  
municipalities and it is advisable to come to their  
assistance by passing an act for the purpose;

of the Legislative Council and of the Legislative As-  
sembly of Quebec, enacts, as follows:
