

CHAPTER 112

An Act to erect the municipality of Mont Tremblant, in the County of Terrebonne

[Assented to, the 17th of May, 1940]

WHEREAS Reverend Charles Hector Deslauriers, *Préamb.*

vicar of the parish of Sacred Heart of Jesus, a religious parish situated in the counties of Terrebonne and Labelle, has, by his petition, represented:

That the majority of the proprietors within the boundaries of the said parish of Sacred Heart of Jesus, as established in 1929, have consented in writing to the erection of a rural municipality having the same territorial area as the said religious parish under the name "Municipality of Mont Tremblant", in the county of Terrebonne;

That within the said territorial area is a population of about six hundred souls;

That the said territorial area, which for many years has been the recreation ground of summer residents, visitors and sportsmen, has more recently become an important centre for winter sports and tourism, thus requiring urgent improvements as regards roads, drainage, lighting and embellishment which the existing municipalities have not been willing to make;

That the proprietors concerned are desirous of encouraging and developing tourism and those industries associated therewith, all of which require improved municipal conditions;

That no provision is made in the Municipal Code for the erection of a rural municipality having parts of its territory in two counties and it is therefore necessary

for the petitioner to apply to the Legislature for a special act;

Whereas it is expedient to grant the prayer contained in the said petition;

Therefore, His Majesty, with the advice and consent of the Legislative Council and of the Legislative Assembly of Quebec, enacts as follows:
