That the said school taxes were so fixed as and in order to maintain the satisfactory financial position of the said school corporation resulting in a large measure from the payment of school taxes by the said Manoir Richelieu Company Limited without any corresponding expenditure in connection with schools, since the maintenance and operation of the properties of the said Manoir Richelieu Company Limited, comprising a summer hotel and golf course, do not increase the number of pupils in the schools nor otherwise occasion any expense to the said school corporation, and also in view of the advantage to be derived from the continued maintenance and operation of the said summer hotel and golf course which give employment during the summer to a large number of persons and attract many tourists, particularly those from outside this Province, thus benefiting not only the residents of the district but also the Province as a whole;

That the said resolution provides that it shall have force and effect only by means of an Act of the Legislature of the Province of Quebec;

That it is expedient, in view of the circumstances, that the said resolution be ratified and confirmed and declared valid and binding; and
