

CHAPTER 120

An Act respecting the school board for the municipality of the town of LaSalle, in the county of Jacques- Cartier

[Assented to, the 8th of April, 1938]

WHEREAS the school commissioners for the municipa-^{Preamble.}
lity of the town of LaSalle, in the county of Jacques-
Cartier, have, by their petition, represented:

That the territory of the school municipality of the town of LaSalle is very extensive, with a large proportion still under cultivation, but developed into urban centres at the eastern and western extremities and built over with important factories in the northern and northeastern portions;

That, to procure indispensable and suitable education for the children attending the schools of the municipality, it has become necessary to construct two new modern schools of several classrooms, to alter the existing schools and to engage other teachers;

That, to provide for such improvements, the revenues of the municipality must be increased;

That most of the Roman Catholic ratepayers of the municipality are unable to support any appreciable increase of the school tax;

That a large proportion of the neutral panel tax available for Roman Catholics is reimbursed to the ratepayers, under the provisions of the second paragraph of subsection 2 of section 16 of the act 15 George V, chapter 45, as amended and replaced by acts subsequent thereto;

That, in future, the school commissioners will need, in order to meet their obligations, a greater proportion of the neutral panel tax available for Roman Catholics;

That it is just that the said school commissioners be placed in the same position as Protestants operating in the same territory, which Protestants are not subject to the provisions of the said paragraph; and

Whereas it is expedient to grant the prayer contained in the said petition;

Therefore, His Majesty, with the advice and consent of the Legislative Council and of the Legislative Assembly of Quebec, enacts as follows:
