

## CHAPTER 142

An Act to redivide part of the cadastre for the parish of  
St. Jérusalem d'Argenteuil, situated in the town of  
Lachute

*[Assented to, the 18th of May, 1935]*

**WHEREAS** the corporation of the town of Lachute, and <sup>Preamble.</sup>  
Cyprien Durocher, Ernest Deslauriers and Lionel  
Desrosiers, all three ratepayers of the town of Lachute,  
have, by their petition, represented:

That the cadastral condition of the south half of the  
west ward of the town of Lachute has daily become more  
entangled by the division of individual properties and of  
public streets and roads, effected by ignoring almost entirely  
the lines established by the official cadastre which dates  
back to the 1st of November, 1880;

That this causes insurmountable difficulties in describing  
correctly the respective properties of the ratepayers having  
immovables there;

That a plan according to the dimensions and boundaries  
of the lands situated in that part of the said town of  
Lachute, as shown by the respective titles of the owners  
concerned, has been drawn up by Séraphin Ouimet, land  
surveyor, and deposited in the records of the Department  
of Colonization, Game and Fisheries, with a book of re-  
ference corresponding thereto, on the first of May, 1935;  
and

And whereas it is expedient to grant the prayer con-  
tained in the said petition;

Therefore, His Majesty, with the advice and consent of  
the Legislative Council and of the Legislative Assembly of  
Quebec, enacts as follows:

Changing of  
numbers of  
certain lots.

Proviso.

Coming into  
force.
