

CHAPTER 145

An Act to ratify by-law No. 6 of the municipality of Grande Ile

[Assented to, the 11th of April, 1935]

WHEREAS the municipality of Grande Ile, in the ^{Preamble.} county of Beauharnois, has, by its petition, represented:

That on the 6th day of November, 1934, its by-law No. 6 was passed, fixing at an annual sum of seven hundred and fifty dollars for a period of ten years, commencing on the 1st of January, 1935, the total amount of municipal taxes payable by Beauharnois Light, Heat & Power Company and Beauharnois Land Company, on all their taxable property and rights in said municipality;

That the said fixing of taxes has been made in view of the fact that said companies have acquired and will necessarily have to acquire in the future considerable property in the said municipality in connection with a hydro-electric development, and the said municipality has reason to fear that considerable portions of the property so acquired and to be acquired by the said companies may be expropriated from said companies or necessarily ceded by said companies in a manner to make the said properties exempt from taxation or to have the taxes upon them considerably diminished, resulting in the said municipality being deprived of considerable necessary revenue;

That, for the purpose of avoiding such a situation and assuring a stated revenue to the municipality, the said by-law No. 6 was passed, and the terms thereof are acceptable to the said companies;

That said by-law was approved by the elector-proprietors of the municipality, on the 30th day of November, 1934;

That the said by-law requires confirmation in order to have force and effect;

That it is expedient and desirable both in the interest of the municipality and the ratepayers thereof that the said by-law should be confirmed; and

Whereas it is expedient to grant the prayer of the said petition;

Therefore, His Majesty, with the advice and consent of the Legislative Council and of the Legislative Assembly of Quebec, enacts as follows:

By-law No. 6 of municipality of Grande Ile ratified.

1. By-law No. 6 of the municipality of Grande Ile, passed on the 6th of November, 1934, is hereby ratified, confirmed and rendered obligatory and shall enure to the benefit of and be binding upon the said municipality and upon Beauharnois, Light, Heat & Power Company and Beauharnois Land Company, and the successors and assigns of each.

Coming into force.

2. This act shall come into force on the day of its sanction.
