

CHAPTER 174

An Act to authorize the Bar of the Province of Quebec to admit Pierre Paul Vinet to the study of law, without examination

[Assented to, the 6th of March, 1935]

WHEREAS Pierre Paul Vinet, of the city and district of Preamble. Montreal, has, by his petition, represented:

That he is a British subject;

That he is twenty-seven years of age;

That he attended literary and scientific studies, including a course of philosophy, at Mount St. Louis College, Montreal, that he obtained his diploma with the greatest distinction from the said college and was thus admitted to the study of civil engineering at the Montreal Polytechnic School;

That he has been a civil engineer since 1928, having obtained the title of Bachelor of Applied Science with great distinction at the Montreal Polytechnic School:

That, in the year 1929, he studied as a bursar of the Government of the Province of Quebec at the Massachusetts Institute of Technology, where he received the degree of Bachelor of Mechanical Engineering;

That, in January of the year 1932, he was appointed professor at the Montreal Polytechnic School;

That it is obvious that the course of university study to which he conformed before becoming professor at the Polytechnic School is equivalent to the examination required to be admitted to the study of law and exceeds the subjects and knowledge required for matriculation;

Whereas the General Council of the Bar of this Province has been informed of these facts, with a list of the studies pursued, and the said Council granted the petitioner's request asking to be allowed to submit a bill at the present

session of the Legislature, for the purpose of admitting him to the study of law, without undergoing the examinations provided by section 35 of the Bar Act (Revised Statutes, 1925, chapter 210); and

Whereas the petitioner has prayed for the passing of an act for the above purposes and it is expedient to grant his prayer;

Therefore, His Majesty, with the advice and consent of the Legislative Council and of the Legislative Assembly of Quebec, enacts as follows:

Admission
of P. P.
Vinet to
study.

1. The Bar of the Province of Quebec is authorized to admit Pierre Paul Vinet to the study of law, without examination.

Coming into
force.

2. This act shall come into force on the day of its sanction.
