

CHAPTER 136

An Act to incorporate the town of Duparquet

[Assented to, the 13th of April, 1933]

WHEREAS Clarke B. Davis, manager, of Iroquois Falls, Preamble.
Ontario; John Murdoch, contractor, Chicoutimi;
Rodolphe E. Joron, civil engineer, Chicoutimi; Joseph
Adolphe Beauchemin, Amos, Province of Quebec, have, by
their petition, represented:

That for a few years a great number of persons have
obtained mining concessions in the township of Duparquet,
Abitibi county, and are and will continue operating the
mines situated in that territory;

That the works in course of execution in the said township
and the working of the plants and factories to be erected
there will create a considerable influx of people to the
territory described in section 2 of this act;

That a great number of persons will be obliged to reside
in that territory as owners, lessees, occupiers of mines and
quarries;

That a large portion of such territory will be subdivided
into building lots; that dwellings, churches, schools and
other buildings will be erected there; that waterworks,
lighting and drainage systems will be installed, and that
all other public services required to make of the proposed
municipality a modern town and to assure the welfare of
its inhabitants will be established there;

That it is therefore desirable to erect the territory in
question into a town municipality;

Whereas a prayer to that effect is contained in the said
petition; and
