

## CHAPTER 145

An Act to amend the charter of The Montreal General Hospital and to declare the moneys representing certain bequests to be available for certain purposes

*[Assented to, the 15th of March, 1933]*

**W**HEREAS The Montreal General Hospital has, by its Preamble. petition, represented that it is in the interest of the public generally and of the proper administration of the affairs of the said hospital that its charter, 11 George V, chapter 151, be amended as hereinafter set forth, and that the moneys representing the three bequests hereinafter referred to be declared to be available for the purposes hereinafter set forth; and

Whereas the late Walter Black Cumming bequeathed five thousand dollars to The Montreal General Hospital for the construction or support of a convalescent home when such is erected; and

Whereas the late Miles Williams bequeathed ten thousand dollars for a convalescent hospital in connection with the Montreal General Hospital; and

Whereas the late Joel Clapp Baker bequeathed five thousand dollars to The Montreal General Hospital for a fund for the purpose of providing a convalescent hospital; and

Whereas The Montreal General Hospital has not been able to build or acquire or operate a convalescent home, or a convalescent hospital, of its own, and there is no prospect of its being able to do so, and it might be contended that the bequests above referred to (or some of them) do not permit The Montreal General Hospital to use the said bequests otherwise; and

Whereas it is expedient in the public interest and for the effective care and treatment of the sick and injured and for their convalescence to grant the prayer of the said petition; and

Whereas the granting of the said prayer will be in accordance with the intention of the testators;

Therefore, His Majesty, with the advice and consent of the Legislative Council and of the Legislative Assembly of Quebec, enacts as follows:
