Whereas at a meeting of the creditors of the said town called by the Quebec Municipal Commission and held in Montreal on the 28th of January, 1933, the bondholders present unanimously agreed to accept, in exchange for their bonds, new bonds payable in 1969 but subject to an annual drawing of lots so that a portion of the principal be repaid every year;

Whereas the same bondholders agreed to accept in exchange for the interest coupons payable before the 1st of November, 1932, promissory notes for the amount of the said interest coupons, payable in three yearly payments from the 1st of November, 1932;

Whereas it is necessary in order to assure the success of this plan for reorganizing the finances of the town that the Quebec Municipal Commission have a direct control of the affairs of the town for a period of ten years;
