

CHAPTER 152

An Act to authorize the College of Physicians and Surgeons of the Province of Quebec to grant Flavius Lebel a license for the practice of medicine in the Province of Quebec, after examination before the College

[Assented to, the 17th of December, 1931]

WHEREAS Flavius Lebel, of the city and district of Preamble. Quebec, has, by his petition, represented:

That he made his classical course at Levis College and obtained his baccalaureate in rhetoric;

That he subsequently studied science at the St. Dunstan College, Prince Edward Island, until the month of March, in the second year of sciences but did not take the final examinations;

That, in 1902, he finished his course in medicine at the Laval University, Montreal, and passed satisfactory examinations;

That for more than twenty-five years he has practised the profession of physician at Lewiston, Maine, United States of America;

That he now desires to practise medicine in the Province of Quebec and that he is refused a doctor's license because he has neither his diploma nor certificate in science;

That the College of Physicians and Surgeons of the Province of Quebec has consented to the passing of an act authorizing the said College to grant him a license to practise medicine in the Province of Quebec, after examination before the College of Physicians and Surgeons of the Province of Quebec;

Whereas the petitioner has prayed for the passing of an act for the above purpose; and

Whereas it is expedient to grant such prayer;

Therefore, His Majesty, with the advice and consent of the Legislative Council and of the Legislative Assembly of Quebec, enacts as follows:
