

## CHAPTER 34

### An Act to promote the utilization of forest products

[Assented to, the 4th of April, 1931]

**W**HEREAS it is urgent to take the necessary steps to bring about a more extensive utilization of the forest products of this Province, to assure more numerous and more remunerative markets for the sale thereof both in this country and abroad and to furnish consumers and buyers with products better made and better classified and more adapted to the needs of commerce and industry;

Therefore, His Majesty, with the advice and consent of the Legislative Council and of the Legislative Assembly of Quebec, enacts as follows:

**1.** The Lieutenant-Governor in Council may, by letters patent, create a Commission under the name which he may designate, consisting of not more than five members and entrusted with:

*a.* The study of economic problems connected with the supplying of merchantable timber;

*b.* The making of practical suggestions to promote the manufacture, the classification, the sale and the rational utilization of forest products of this Province, both in this country and abroad.

**2.** The members of the Commission shall be appointed by the Lieutenant-Governor in Council and shall remain in office during good pleasure. They shall receive no remuneration for their services.

**3.** The Commission shall include at least one representative of the Department of Lands and Forests;

other members shall be selected from persons qualified to represent the manufacturers of and dealers in forest products of this Province.
