

CHAPTER 166

An Act respecting the city of Grand'Mère and to provide
for commutations of taxes in favour of certain com-
panies

[Assented to, the 11th of March, 1931]

WHEREAS the city of Grand'Mère has, by its petition, Preamble.
represented: that, by its by-law No. 279, it provided
that, for a period of ten years, the taxable property of The
Shawinigan Water and Power Company in the municipality
of Grand'Mère be valued at six million dollars, and that
the taxable property of Laurentide Company, Limited, in
the same municipality be valued at the same sum; that
the said valuations have been accepted by the companies
concerned, approved by the electors who are proprietors of
Grand'Mère and by the Lieutenant-Governor of the Pro-
vince in Council, and that such valuations will supply the
city of Grand'Mère with the means to administer its affairs
by means of a reasonable real estate tax; that both the
said companies are in addition ready to pay to the city of
Grand'Mère a yearly contribution in money and that one
of the objects of the said by-law was to accept such offer;
that the administration of the city of Grand'Mère by a
manager with modern accounting during the past ten
years has been satisfactory, and it is expedient to continue
it; that the said administration is a condition for the said
monetary aid by the said companies and that the said by-
law No. 279 enacts the continuation of such system of
administration for another period of ten years;

Whereas it is expedient to grant the prayer of the said
city for the approval of its said by-law No. 279;

Therefore, His Majesty, with the advice and consent of
the Legislative Council and of the Legislative Assembly of
Quebec, enacts as follows:
