

CHAPTER 126

An Act respecting the maintenance of certain roads in the county of Laval

[Assented to, the 20th of March, 1930]

WHEREAS the municipality of the county of Laval Preamble.
has by its petition represented:

That its territory is crossed by three regional highways whose maintenance is under the control of the council of the county of Laval as to part, under the act 2 George V, chapter 3, as amended by the act 8 George V, chapter 8, and of the councils of the local municipalities which they cross, as to the balance;

That, by section 17 of chapter 2 of the Revised Statutes of Quebec, 1925, the town of Laval-des-Rapides and the town of Laval-sur-le-Lac, situated on Ile Jésus, do not form part of the county of Laval for municipal purposes;

That notwithstanding these provisions, the town of Laval-des-Rapides is obliged to contribute to certain roads under the provisions of the act 2 George V, chapter 3;

That, for the proper administration of the county of Laval and to secure uniform maintenance of the principal highways crossing Ile Jésus, during winter time, it is necessary to place the upkeep of these roads under the control of the council of the county of Laval and to have all the municipalities of the county contribute to such upkeep, as well as the towns of Laval-des-Rapides and Laval-sur-le-Lac;

That the town municipalities situated on Ile Jésus have agreed to the passing of this act;
