

## CHAPTER 106

An Act to confirm by-law No. 89 of the village of Thurso

*[Assented to, the 15th of March, 1928]*

**W**HEREAS the corporation of the village of Thurso Preamble.  
has, by its petition, represented:

That, recently, considerable industries have been established in the village of Thurso forecasting that in the near future the population of the village will increase considerably and that, in such circumstances, the corporation requires to improve its waterworks and, for such purpose, wishes to acquire the water-power supplying it and to improve same;

That the owners of such water-power have offered to sell it to the council of the village, with the buildings, mills, machinery and accessories which they operate in connection with said water-power, at an advantageous price, but that the corporation of the village having, in a large measure, no need of such mills, machinery and buildings, will have to resell them on the most favourable conditions obtainable;

That the law does not allow the corporation to take advantage of this offer of sale;

That, however, the corporation of the village of Thurso has passed a by-law permitting it to make such purchase and to disburse the sum necessary to pay the cost of same, the whole subject to ratification by the Provincial Legislature; and that such by-law has been approved by the electors who are owners of real estate in the village of Thurso;

That the latter have entirely approved the present petition;

Whereas it is expedient to grant the prayer contained in the said petition;

Therefore, His Majesty, with the advice and consent of

the Legislative Council and of the Legislative Assembly of Quebec, enacts as follows:
