

## CHAPTER 143

An Act to validate by-law No. 9 of the municipality of the parish of Pont-Viau

*[Assented to, the 22nd of March, 1928]*

**W**HEREAS the municipality of the parish of Pont-Viau, a municipal corporation having its principal office and place of business in the parish of Pont-Viau, county of Laval, has, by its petition, represented:

That by its by-law No. 8, the municipality of Pont-Viau decided to construct waterworks in certain parts of the territory of the municipality, which by-law was approved by the council of the municipality upon a petition to that effect signed by the majority of the ratepayers, and the said by-law has been approved according to law;

That afterwards, another by-law, bearing No. 9, providing for a loan of twenty thousand dollars to pay and defray the cost of said waterworks, was submitted to the electors who are ratepayers of the municipality, and was approved by them, in number and in value, according to law:

That a mistake occurred in the notices of said by-law No. 9, and the secretary-treasurer gave notice for voting on the said by-law for a date which should have been four days later than that fixed, and that, as a result of such mistake, it was impossible for the Minister of Municipal Affairs to authorize the said loan, because the delays for the voting had not been observed;

That the said waterworks is now completely built, and that the cost thereof has been paid by the ratepayers, who willingly loaned the money necessary to the municipality, until an act would sanction the said by-law as to the mistake made in the delays of notice;

Whereas it is expedient to grant the prayer contained in the said petition;

Therefore, His Majesty, with the advice and consent of the Legislative Council and of the Legislative Assembly of Quebec, enacts as follows:

By-law No. 9, ratified.

**1.** By-law No. 9, adopted by the council of the municipality of the parish of Pont-Viau, and approved by the electors who are ratepayers of said municipality, both in number and in value, on the 14th of March, 1927, and 30th and 31st of March, 1927, authorizing a loan of twenty thousand dollars, for the construction of waterworks and other rights and privileges, is hereby ratified and confirmed as to the insufficiency of the delays of notice.

Rights of J. B. A. Primeau safeguarded.

Coming into force.

**3.** This act shall come into force on the day of its sanction.
