

## CHAPTER 2

An Act to provide for the construction of a road for vehicular traffic over the Quebec Bridge

*[Assented to, the 1st of April, 1927]*

**W**HEREAS it is in the interest of the cities of Quebec Preamble.  
and Levis, of the neighbouring counties and of the whole Province to construct a road for vehicular traffic over the Quebec Bridge connecting the north and south shores of the St. Lawrence;

Whereas, to assure the construction of such road it is necessary to have the aid of the Province and of the city of Quebec, and of all other governments or public corporations which are willing to join with them;

Whereas such bridge will be a toll-bridge, the annual revenues wherefrom cannot fail to increase, but, at the start, it is necessary to provide for the sums required for the construction, maintenance, operation and administration of the said road and of its approaches;

Whereas the realization of such object requires the formation of a corporation having the necessary powers;

Whereas it is expedient to provide for the payment of the contributory share of the Government of this Province and of the city of Quebec, and of all the other governments or public corporations which may join them;

Therefore, His Majesty, with the advice and consent of the Legislative Council and of the Legislative Assembly of Quebec, enacts as follows:

**1.** The Lieutenant-Governor in Council may authorize Corporation the issuing of letters patent under the Great Seal of the Province for the purpose of forming a corporation composed of five members, designated in accordance with section 2, for the objects hereinafter mentioned. <sup>formed by letters patent.</sup>
