

## CHAPTER 148

An Act to authorize the College of Physicians and Surgeons of the Province of Quebec to admit Gordon James Cassidy to the practice of medicine, after examination

*[Assented to, the 1st of April, 1927.]*

**W**HEREAS Gordon James Cassidy, of the city and district of Montreal, has, by his petition, represented:

That he passed an examination for admission to the study of dental surgery in the Province of Quebec, as prescribed by law in 1916, and that he studied dental surgery for a year at McGill University, Montreal;

That after a year's study in dental surgery he decided to abandon that study for the study of medicine and graduated in 1921, after undergoing the examinations required at McGill University;

That since then he has been a professor at McGill University and at Halifax University, that he published several treatises on medical matters, and in 1925 obtained the degree of Master of Science at McGill University, Montreal;

That the said Gordon James Cassidy now wishes to practise medicine in the Province of Quebec, but was refused a license because he had not fulfilled the necessary formalities, namely; that he did not pass an examination for the study of medicine;

That the examinations for the study of dental surgery and for the study of medicine are almost the same, except as regards zoology which is studied for the passing of an examination in medicine and omitted in an examination for dental surgery;

That nevertheless he passed his examinations in zoology at McGill University;

That he obtained the consent of the College of Physi-

cians and Surgeons of the Province of Quebec for the passing of an act authorizing the said College to grant him the license to practise medicine in the Province of Quebec without undergoing a new examination for admission to study, but after examination before the College of Physicians and Surgeons of the Province of Quebec;

Whereas the petitioner has prayed that an act be passed for the above purpose, and it is expedient to grant his prayer;

Therefore, His Majesty, with the advice and consent of the Legislative Council and of the Legislative Assembly of Quebec, enacts as follows:

Admission  
of G. J. Cas-  
sidy to  
practice of  
medicine.

**1.** The College of Physicians and Surgeons of the Province of Quebec is authorized to admit Gordon James Cassidy among its members and to grant him the license required to practise medicine in the Province of Quebec without passing new preliminary examinations, but after examination before the College.

Coming into  
force.

**2.** This act shall come into force on the day of its saction.
