

## CHAPTER 149

An Act to authorize the College of Physicians and Surgeons of the Province of Quebec to treat Albert Couturier as a third year student, after undergoing the required examinations

*[Assented to, the 24th of February, 1927.]*

**W**HEREAS Albert Couturier, of Malbaie, electoral district of Charlevoix, has, by his petition, represented: Preamble.

That, in 1924, he was admitted as a student of medicine and surgery of Laval University, Quebec, and has attended the medical course of said university during the first two years;

That it was only in 1925 that he obtained from the College of Physicians and Surgeons of the Province of Quebec the permit allowing him to study medicine, which, for serious reasons, he could not obtain before his entry to said university;

That, in view of the foregoing, the College of Physicians and Surgeons of the Province of Quebec has consented to a bill being presented authorizing it to treat the petitioner as a third year student, after successfully undergoing the necessary examinations before the Board of Examiners of said College;

Whereas the petitioner has prayed that an act be passed to that effect, and it is expedient to grant such prayer;

Therefore, His Majesty, with the advice and consent of the Legislative Council and of the Legislative Assembly of Quebec, enacts as follows:

**1.** The College of Physicians and Surgeons of the Province of Quebec is authorized to treat the said Albert Couturier as a third year student, after he has successfully undergone the required examinations. Admission of Albert Couturier as a third year student.

**2.** This act shall come into force on the day of its sanction. Coming into force.
