

CHAPTER 128

An Act to authorize the College of Physicians and Surgeons of the Province of Quebec to admit Rodolphe Monette among its members, after examination

[Assented to, the 11th of March, 1926]

WHEREAS Rodolphe Monette, of Levis, county of Preamble.
Levis, has, by his petition, represented:

That, in 1918, he was admitted as a student of medicine and surgery at Laval University, Quebec, and regularly attended the five years' course and obtained his diplomas in the said University;

That it was only in 1919 that he obtained from the College of Physicians and Surgeons of the Province of Quebec the permit allowing him to study medicine, which for serious reasons he could not obtain before his entry to said University;

That, in view of his having obtained such permit late, he has undergone no examination before the examiners of the College of Physicians and Surgeons;

That, in view of the foregoing, the College of Physicians and Surgeons of the Province of Quebec has consented to a bill being presented authorizing the petitioner to practise medicine, after undergoing the 3rd, 4th and 5th year examinations before the Board of Examiners of the said College;

Whereas the petitioner has prayed that an act be passed to that effect and it is expedient to grant such prayer;

Therefore, His Majesty, with the advice and consent of the Legislative Council and of the Legislative Assembly of Quebec, enacts as follows:

1. The College of Physicians and Surgeons of the Province of Quebec is authorized to admit the said Rodolphe Monette among its members after he shall have undergone the 3rd, 4th and 5th year examinations.

2. This act shall come into force on the day of its sanction.
