#### C H A P. 144

An Act respecting the estates of Félix Lussier and Angélique Deschamps and of Albert Lussier and Marie Louise Massue

[Assented to, the 4th of March, 1925]

**W**HEREAS Paul Aimé Lussier, Régina Lussier, wife separate as to property of Gaspard Bousquet, of Varennes, and Angélique Lussier, spinster of the age of majority, of the city of Outremont, have, by their petition, represented: Preamble.

That they are the only living children in the first degree, issue of the marriage of the late Albert Lussier, in his lifetime gentleman and former member of the Provincial Legislature, with the late Marie Louise Massue; and that the said late Albert Lussier was one of the children in the first degree issue of the marriage of the late Félix Lussier, in his lifetime seignior of Varennes, with the late Angélique Deschamps;

That the said late Félix Lussier and Angélique Deschamps, his wife, died over forty years ago, each leaving a last will executed in authentic form before E. A. Beaudry, notary, on the 5th of August, 1873, which wills have not been revoked and are in force;

That by their said wills the late Félix Lussier and Angélique Deschamps bequeathed to the said late Albert Lussier, among others, certain immoveables and property described therein, subject to a substitution, and that it is stipulated in said wills that, in the event of the death of any legatee without issue, the immoveables and certain moveables left to such legatee shall revert with substitution to the other legatees or their representatives;

That, by their wills, the late Félix Lussier and his wife expressed the wish that an act of the Legislature be passed to ratify and confirm the provisions of their wills, because they were disposing as owners of certain substituted properties, and they authorized their legatees to alienate in certain cases their immoveables and to make final divisions in the event of the death of any legatee;

That the following legatees named in such wills died without leaving a child or other descendant, namely: Cordélia Lussier, in May, 1879; Paul Lussier, on the 18th of October, 1894; Angélique Lussier, on the 29th of September, 1897; Louis Lussier, on the 7th of August, 1916, and that, according to the said wills, the immoveables and certain properties bequeathed to them by the said Félix Lussier and Angélique Lussier have been divided among those entitled to same, as appears by the following deeds of partition executed in authentic form, namely:

a. Before J. E. H. Lesage, notary, on the 23rd of April, 1895, under number 3015 of his minutes, for the immoveables bequeathed to the late Cordélia Lussier and to the late Paul Lussier;

b. Before J. E. H. Lesage, notary, on the 21st of October, 1897, under number 3840, for the immoveables bequeathed to the late Pauline Angélique Lussier;

c. Before Aimé Langlois, notary, on the 21st of December, 1916, under number 2138 of his minutes, for the immoveables bequeathed to the said late Louis Lussier;

That, wishing to use the powers granted to them by the said wills, the copartitioners made the partitions above as final partitions, and made between themselves, for their mutual benefit and for that of the substitutes in the substitutions, certain agreements and authorized certain exchanges of the lands described in said deeds of partition;

That under the wills and partitions above mentioned (saving that respecting the immoveables bequeathed to the late Louis Lussier), the said late Albert Lussier acquired certain immoveables which he disposed of in his will at the same time as he disposed of other immoveables which he had bought during his marriage with the late Marie Louise Massue to whom he was married under community of property;

That the said late Albert Lussier died at Varennes on the 18th of December, 1909, and his wife, the late Marie Louise Massue, died at Varennes on the 6th of February, 1909, both of them leaving their last will executed in authentic form before Mtre. Aimé Langlois, notary, on the 17th of February, 1908, which wills have not been revoked and are in force;

That by their wills, the late Albert Lussier and the late Marie Louise Massue divided their immoveables among the petitioners with substitution to the second degree, and, following in this the family traditions, immoveables which were acquired under the wills of Félix Lussier and his wife and the deeds of partition previously cited;

That it is practically impossible to retrace the property which formed part of the community between Albert Lussier and Marie Louise Massue, which has been confused with other immoveables derived from the estates of Félix Lussier and his wife;

That, in view of the irregularities contained in certain clauses of the will of the late Félix Lussier and that of the late Angélique Deschamps, his wife, as well as in the partition of the 21st of December, 1916, above mentioned, irregularities which appear from the above citation of the facts, it is in the interest of the petitioners, the only ones interested, who have accepted the clauses of the said wills and of the wills of Albert Lussier and of Marie Louise Massue, his wife, that the latter wills be declared valid and legal and that the petitioners be recognized as having a perfect title to the property so bequeathed to them, subject, however, to the substitution therein created;

That it is also expedient to validate the partition of the 21st of December, 1916, granting the copartitioners the right to give a perfect title to the property allotted to them under the said deed, always in their capacity of institutes and subject to the substitution;

That these various deeds have been accepted by all those interested and, since their passing, have always been executed and followed according to their form and tenor, and acknowledged as just, and the estates mentioned have been accepted;

That the intention of the late Albert Lussier and of his wife, in ordering the retaining of their properties and of those of their ancestors, was to assure, as far as possible, provision for their children and some inheritance for their descendants; but that the petitioners, desirous that all the substitutions have their effect, find it impossible to retain in kind the immoveables, which were bequeathed to them or have fallen to them in the partition, because they have

not sufficient funds to provide for their living expenses and the expenses which the immoveables occasion;

That one of the petitioners, Paul Aimé Lussier, was obliged, under the wills of his father and mother, to pay the balance of the purchase price of lot bearing official number 284 of the parish of Varennes, amounting to \$333. 1-3, and has not yet been able to make such payment; that the said Paul Aimé Lussier has in addition had to make the necessary expenditures for rebuilding on his immoveables for over two thousand dollars, which expenditure he is not obliged to make as institute, but which was necessary to enable him to use his immoveables, and has been settled by notes or is still due on accounts which the said Paul Aimé Lussier is unable to pay out of his revenues;

That certain immoveables belong to the petitioners jointly, and the administration of such immoveables by several interested parties is very difficult; that these immoveables cannot be divided in kind and that a definite sale thereof is necessary;

That, amongst such properties, the petitioners have the joint-ownership of a certain immoveable which was not disposed of by particular legacy either in Albert Lussier's will or in that of his wife Marie Louise Massue, this land with the buildings forming part of the lot known and designated under the number 82 of the official plan and book of reference of the parish of Varennes, of irregular shape, containing about seventeen arpents in area, and bounded in front by the public highway, in rear by the river St. Charles, on one side by part of lot official number 78, and on the other side by the remainder of said lot 82 at the place where the division fence is for the piece of land called "*morceau du moulin*"; but this lot has actually been in the possession of one of the petitioners, Paul Aimé Lussier, as forming part of the land reunited into one single exploitation composed of lots numbers 83, 104 and 105 of the cadastre of the parish of Varennes and this in the sight and with the knowledge and consent of the other petitioners;

That it will be necessary, in the near future, to make considerable expenditure for repairs to the buildings belonging to the petitioners which cannot be paid out of the present revenues alone of the petitioners;

That it is to the advantage of the institutes and of the substitutes in the substitutions created by the late Albert Lussier and Marie Louise Massue, his wife, that the petitioners be authorized to sell their substituted immoveables with the consent of the curator to the substitution, and that the price of each sale be disposed of in accordance with the general law, save the right of the said Paul Aimé

Lussier to collect the sums above mentioned to pay the debts upon his substituted property;

That the general law provides for the sale of substituted immoveables in cases of necessity and to the advantage of the institutes and of the substitutes, but that it is impossible for the petitioners to avail themselves of this law for the following reasons: (a) the titles of their immoveables are defective as regards third parties; (b) the putting up to public auction of a large number of their immoveables would lower the price; (c) the procedure with its long delays prescribed by the Civil Code would, in several instances, prevent them from taking advantage of what purchasers presented themselves; (d) the costs of the proceedings for each immoveable would be very considerable;

That certain immoveables belonging to the petitioners are situated in the centre of the village of Varennes, and their sale would help the development of the said village;

That it is in the interest of the petitioners, of the substitutes to the substitutions with which they are charged, and, in certain respects, of the village of Varennes, that an act be passed to authorize the sale, by private sale, of the immoveables bequeathed to the petitioners by the late Albert Lussier and the late Marie Louise Massue, and of the immoveables allotted to the petitioners under the wills of the late Félix Lussier and of the late Angélique Deschamps;

Whereas it is expedient to grant the prayer of the said petition;

Therefore, His Majesty, with the advice and consent of the Legislative Council and of the Legislative Assembly of Quebec, enacts as follows:

**1.** The partition made in authentic form before Mtre. Aimé Langlois, notary, on the 21st of December, 1916, under the number 2138 of his minutes, of the immoveables and certain moveables bequeathed to the late Louis Lussier, is declared final between the parties and as regards all the other institutes and substitutes in the substitutions, and the said deed of partition (*acte de partage*) is ratified and validated in its entirety.
