An Act to authorize the College of Physicians and Surgeons of the Province of Quebec to admit René Morisset as a fourth-year student, after taking the third-year examination

[Assented to, the 15th of February, 1924]

Preamble. **W**HEREAS René Morisset, of Cap Santé, county of Portneuf, district of Quebec, has, by his petition represented:

That in 1920 he was admitted as a student of medicine and surgery at Laval University in Quebec and that he regularly followed the course for the first three years in the said university;

That he did not obtain from the College of Physicians and Surgeons of the Province of Quebec the authorization to begin the study of medicine until the year 1921, inasmuch as for serious reasons he was unable to obtain the same before entering the said university;

That, in view of the foregoing, the College of Physicians and Surgeons of the Province of Quebec has given its consent for the introduction of a bill to authorize the petitioner to be considered as a fourth-year student after having passed the third-year examination before the board of examiners of the said College;

Whereas the petitioner has prayed for the passing of an act to the effect above mentioned; and

Whereas it is expedient to grant his said prayer;

Therefore His Majesty with the advice and consent of the Legislative Council and of the Legislative Assembly of Quebec enacts as follows:

René Morisset admitted as fourth-year student. **1.** The College of Physicians and Surgeons of the Province of Quebec is authorized to admit the said René Morisset as a fourth-year student after taking the third-year examination.

Coming into force. **2.** This act shall come into force on the day of its sanction.
