CHAP. 97

An Act to amend the charter of the town of St. Laurent.

[Assented to, the 29th of December, 1922]

WHEREAS the town of St. Laurent has, by its petition, ^{Preamble.} represented that its charter, the act 8 Edward VII, chapter 94, as amended by the acts 3 George V, chapter 71, and 8 George V, chapter 91, no longer meets the requirements of the said municipality and that it needs, for the proper administration of its territory, additional powers contained in the amendments of which it prays the adoption, for the purpose of putting the town of St. Laurent on an equal footing with the neighbouring towns and cities;

Whereas there have been made, between the town of St. Laurent and The Gurney Foundry Company, Limited, arrangements in connection with the transfer, which was agreed to in favour of this company, of the exemptions and privileges originally granted to the Canada Stove & Furniture Company, Limited, and that it is in the interest of the parties interested to have these arrangements confirmed, as well as to have the by-laws and resolutions conferring the said privileges and exemptions ratified;

Whereas there have arisen doubts as to the legality of a certain sale made by the town of St. Laurent to Mr. J. Hormisdas Crevier, that there was even a lawsuit in this connection which was amicably settled by the parties interested, and that it is expedient to ratify and validate the said sale to avoid all further difficulties;

And whereas it is expedient to grant the prayer relative to these matters contained in the said petition;
