

CHAP. 118

An Act respecting the construction of the church of the parish of *Ste. Catherine de Montréal*

[Assented to, the 29th of December, 1922]

Preamble.

WHEREAS the parish priest and churchwardens of the *Œuvre et Fabrique* of the parish of Ste. Catherine de Montréal and the trustees elected for the said parish have by their petition represented:

That the *fabrique* of the said parish owns land upon which it has erected a basement, of which the said parish has been making use for religious purposes since the year 1913, and that it has become urgent to complete this basement by erecting thereon a parish church;

That it is expedient to pass a special act respecting the erection of the said church and the mode of raising the necessary loans for this purpose;

That the usual provisions of parochial law regulating *fabriques* do not allow of the redemption of these loans by annual assessments based upon the municipal valuation rolls of the localities wherein are situate the lots owned by *fabriques*;

That the territory of the said parish of Ste. Catherine is situated in a part of the city of Montreal which is densely built upon, where the buildings are of great value and where transfers of property are frequent;

That in order to lighten the burden of the assessment for the erection of the church and not to hamper transfers of property in the locality, it is expedient to derogate from the general law and allow the trustees to levy in each year upon the property of Catholics, in accordance with the amounts entered in the municipal valuation roll of each year, the sums necessary to provide for the cost of erection and repayment of the loans which the said trustees shall affect;

That, although the freeholders have obtained authority to elect trustees and have, in fact, elected trustees to erect the church under the general clauses of the general law, they have nevertheless proceeded in a way which can only be made effective by means of special legislation;

That the prayer of the petitioners for this purpose has been approved by the Ordinary of the archdiocese of Montreal within whose limits the said parish is situated;

Whereas the petitioners have prayed that an act be passed for the above mentioned purposes, and it is expedient to grant the same;

An Act to authorize the Protestant School Municipality of the City and Parish of Lachine and the Towns of Lasalle and Dorval to have a Board of six Trustees

Preamble.

WHEREAS the Protestant School Trustees for the municipality of the city and parish of Lachine, including the towns of Lasalle and Dorval, in the county of Jacques-Cartier, have, by their petition, represented that for the past fifty years, or more, the said municipality has elected and maintained a board of six trustees instead of a board of three trustees contemplated by law; that the origin of this system or legal warrant for the same cannot be found either in the records of the school board or in the archives of the Department of Education at Quebec, but the board, composed of six members, has always enjoyed the status of a school corporation and has been recognized as such by competent authority; that doubts have arisen as to the legality of a board of six trustees, and it is desir-
