

of stock and necessary equipment, and to pay for the construction of buildings, and every other expense incurred for demonstration purposes, out of the funds voted for the encouragement of agriculture generally, upon such conditions as may be set forth in the contract.

Control of  
operation  
of farm.

“**2023b.** During the whole term of the contract, the operation of the farm shall be under the control of the Minister of Agriculture, and under such of his officers as he may select. Under the direction of the Minister the latter shall, among other things, prescribe what methods of farming shall be followed; how the soil is to be worked; what system of rotation of crops it is expedient to adopt; what varieties of seed shall be selected and how they shall be treated; the drainage work to be done; the care and the kind of feed to be given to the live stock, and everything which will tend to add to the value of the farm.

Regulations  
by Lt.-Gov.  
in C.

The Lieutenant-Governor in Council may make regulations to allow the admission of visitors to any such farm so long as it may be used for demonstration purposes.

No increases  
in taxes.

“**2023c.** No demonstration farm shall be liable, during the term of the contract, to any increase in municipal or school taxes, either general or special, for any amount which it has increased in value by reason of the improvements made to such farm.”

Coming  
into force.

**2.** This act shall come into force on the day of its sanction.
