[Assented to, 19th of March, 1921]

Preamble.

WHEREAS John Joseph Robson and Thomas Yates Foster, accountants, of the city of Westmount, have, by their petition, represented:

That the said Michael Joseph Stack died in Westmount aforesaid on the 1st day of March, 1920, and that at the time of his death he was carrying on business in the city of Montreal as contractor and builder;

That by his will, passed before James Lonergan, N.P., on the 5th day of July, 1910, he named as his legatees and heirs-at-law his three minor children, to whom, after his death, a tutor was appointed, who, by authentic deed executed on the 26th of April, 1920, before John Mulcair, N.P., at Montreal, renounced on their behalf to the insolvent estate of their late father, he being duly authorized to that end on the advice of a family council composed of the relatives and friends of the said minors; and said deed of renunciation was duly registered in the registration division of the counties of Hochelaga and Jacques Cartier under No. 389192;

That several actions and seizures were pending against the said Michael Joseph Stack at the time of his death, or were instituted against his estate immediately thereafter, and a demand of abandonment was made against such estate under the provisions of the Code of Civil Procedure, in the Superior Court for the district of Montreal, and pursuant to such demand the petitioners were appointed curators of the said insolvent estate and to the property thereof by judgment of the Honourable Mr. Justice Duclos, dated the 14th of May, 1920, and by the same judgment inspectors were also named, chosen from amongst the largest creditors;

That the petitioners took charge of the assets of the said estate, and, with the advice and authorization of such inspectors and of the court, proceeded to wind it up, and dispose of its assets for the purpose of distributing and paying the same *à qui de droit*;

That among such assets were included the following properties:

- a. lot No. 1366 on the official plan of St. Ann's ward, city of Montreal;
- b. lot No. 4 of the official subdivision of original lot No. 206 (206-4) on the official plan of St. Lawrence ward, city of Montreal;
- c. an emplacement composed of portions of lots Nos. 189 and 190 on the subdivision plan of lot No. 219 (pt. 219-189, 190) on the official plan of the parish of Montreal;
- d. lot No. 41 of the official subdivision of original lot No. 181 (181-41) on the official plan of the town of Lachine, together with certain rights held by the deceased under lease of the beach and deep water lot situate in front of said premises;

- f. subdivision No. 39 and part of subdivision lot No. 21 of the original lot No. 875 (875-39 and pt. 875-21) on the official plan of the parish of Lachine;

That by judgment of the Honourable Mr. Justice Panneton, one of the judges of the Superior Court for the district of Montreal, dated the 19th of August, 1920, the petitioners, acting under instructions from the said inspectors, were authorized to have the immoveables above described under letters (a) (b) (c) (d) and (e) sold by public auction to the last and highest bidder after advertisement in one English and one French newspaper, published in the city of Montreal; and by judgment of the Honourable Mr. Justice Coderre, one of the judges of the

said Superior Court, dated the 15th of November, 1920, they were further authorized to retrocede the property above described under letter (f) to the person from whom the deceased had acquired the same, in execution of a resolatory clause contained in the deed of acquisition;

That the said auction sale was had at the time and place advertised, and the properties adjudged to the last and highest bidders, who have executed their respective deeds of sale and paid over to the petitioners the amount due by them thereon, and the deed of retrocession of the property above described under (f) has also been executed;

That doubts have arisen as to the legality of the appointment of the petitioners as curators of the estate of the late Michael Joseph Stack under the provisions of the Code of Civil Procedure dealing with demands of abandonment on insolvent traders and the winding-up of their estates, and the alienation of their assets; and the petitioners desire to have an act passed for the purpose of clearing up such doubts, and confirming and ratifying their appointment, and all acts done by them in their said quality, and especially the sale and transfer of the said properties, and they have been requested by the purchasers to apply for the passing of the present act;

Whereas it is expedient to quiet the said doubts and to ratify and confirm the said deeds of sale, conveyance and transfer, as well as the appointment of the petitioners as curators to the said insolvent estate; and
