

Phys. &
Surg. au-
thorized to
admit C. A.
Porteous.

vince of Quebec is authorized to admit the said Carlyle A. Porteous among its members, and to grant him the license required to practise medicine and surgery in the Province of Quebec, without having to pass the examinations required to obtain a license, and without being required to be registered.

Coming
into force.

2. This act shall come into force on the day of its sanction.

C H A P. 182

An Act to authorize the College of Physicians and Surgeons
of the Province of Quebec to admit J. C. Lauréat
Bussières to the practice of medicine and surgery

[Assented to, 25th of February, 1921]

Preamble.

WHEREAS J. C. Lauréat Bussières, of Grandes Bergeronnes, in the county of Saguenay, has, by his petition, represented:

That he followed a classical course of study up to the first year of philosophy, inclusive, and that he successfully passed the first examination for the degree of Bachelor of Letters;

That he began his course of medical studies at Laval University in Quebec on the 6th of October, 1898;

That he obtained his degree of Doctor of Medicine from the university in Quebec in the month of September, 1907;

That he has practised medicine at Bergeronnes and its environs, in the county of Saguenay, for over thirteen years;

That he is practising his profession in that region, where no other licensed physician has been able to remain owing to the rigorous climate and the poverty of the population;

That the services he has rendered during his practice attest his qualifications and ability as a physician;

That in the practice of his profession he has acted honourably and to the satisfaction of those who required his professional services, for whose welfare he devoted his best skill and utmost efforts;

That, for the benefit of the population of Bergeronnes and its environs, it is necessary that there be a resident physician there;

That, in the absence of such physician, several deaths have occurred which might have been avoided;

That the inhabitants of Bergeronnes and its environs have expressed their gratitude to the petitioner for the services he has rendered them, especially during the epidemics of diphtheria and more especially during the epidemic of influenza in 1918;

That the petitioner leads a regular and moral life;

That the petitioner followed a complete course of study, with the exception of the last year in philosophy, and that he successfully passed the examination for the degree of Bachelor of Letters;

That he is not one of the class of persons who have neither followed a course nor obtained a diploma;

That in view of the foregoing the College of Physicians and Surgeons of the Province of Quebec has consented to a bill being presented authorizing the petitioner to practise medicine in the Province of Quebec;

Whereas the petitioner has prayed that an act be passed to that effect, and it is expedient to grant his prayer;

Therefore, His Majesty, with the advice and consent of the Legislative Council and of the Legislative Assembly of Quebec, enacts as follows:

1. The College of Physicians and Surgeons of the Province of Quebec is authorized to admit the said J. C. Lauréat Bussièrès among its members, and to grant him the necessary license for the practice of medicine in the Province.

Coll. of Phys.
& Surg to
admit J.C.L.
Bussièrès.

2. This act shall come into force on the day of its sanction.

Coming

C H A P. 183

An Act to authorize the College of Dental Surgeons of the Province of Quebec to admit T elesphore Dupuis among its members

[Assented to, 19th of March, 1921]

WHEREAS T elesphore Dupuis, of the city and district of Montreal, doctor of dental surgery, has, by his petition, represented:

Preamble.

That in the month of September, 1915, he was enrolled as a student in the school of dental surgery of Laval University, Montreal;

That he followed the courses of this school during the four regular university years, and received the degree of doctor of dental surgery;
