An Act respecting the township of Bourdages, situated partly in the county of l'Islet and partly in the county of Montmagny

[Assented to, 14th of February, 1920]

**W**HEREAS the official cadastre respecting ranges I, II Preamble. and III of the township of Bourdages, included in the municipality of the parish of St. Cyrille, in the county of l'Islet, has been based upon insufficient and inaccurate *data*, and contains serious errors which render it useless for registration purposes, and necessitate the correction and making over of the cadastre;

Whereas, moreover, the lots of range IV and of the north-west part of range V of the same township, although forming part of the municipality of St. Cyrille above-mentioned, have been included in the official cadastre of the said township of Bourdages, as deposited at the registry office of the county of Montmagny, and it is expedient to regularize such state of affairs;

Therefore, His Majesty, with the advice and consent of the Legislative Council and of the Legislative Assembly of Quebec, enacts as follows:

**1.** The Minister of Colonization, Mines and Fisheries Cadastre re-made. is authorized to re-make the cadastre of the first three ranges of the township of Bourdages, to wit: of that part of such township included in the municipality of the parish of St. Cyrille, county of l'Islet, and shown and described on the plan and in the book of reference deposited therefor at the registry office of that county. Accordingly the said Minister shall make a new cadastre of that part of the township of Bourdages, which shall be substituted for the old one, and shall conform to the original survey and to the titles of the property-owners, as well as to the present holding of the lots, and shall be prepared, deposited and put in force according to the provisions of articles 7486 and 7488 of the Revised Statutes, 1909, and 2166 and 2176a of the Civil Code.

Every document relating to a lot or part of a lot in Documents validated as to registration. the said ranges I, II and III of the township of Bourdages, which has been registered in the said registry office since the 20th of April, 1881, the date of the coming into force of the said plan and book of reference to be replaced, shall be valid as to its registration, without prejudice to any rights already acquired by third parties, but shall be

subject to the formality of renewal in conformity with the proclamation putting in force the new cadastre respecting the ranges in question.

Lots detached.

**2.** The lots in range IV of the township of Bourdages and the northwest part of range V of the same township, included in the municipality of the parish of St. Cyrille, county of L'Islet, are detached from the said county and municipality, and annexed to the municipality of Cap St. Ignace, in the county of Montmagny, for all purposes whatsoever. The deposit of the official cadastre of the said township of Bourdages, at the registry office of the county of Montmagny, insofar as concerns range IV and that part of range V abovementioned, shall be considered to have been legally made and is declared valid for all legal purposes.

Deposit of cadastre validated.
