An Act to authorize the building of a church and sacristy  
in the parish of Saint Pierre de Shawinigan

[Assented to, 14th of February, 1920]

**W**HEREAS the *curé* and church-wardens of l'*œuvre et fabrique* of the parish of St. Pierre de Shawinigan in the district of Three Rivers, have by their petition represented: Preamble.

That it is urgent, for the welfare of the parish, to build and furnish a church and sacristy as soon as possible upon the property of the *fabrique*;

That it is necessary to pass a special act to provide, with the assent of the Ordinary of the diocese, for the building of the said church and sacristy and furnishing the same, by borrowing the necessary funds for such purpose;

That in order that the cost be less burdensome, it is expedient to effect one or more temporary or long term loans, and, for their repayment, to impose and levy, each year, upon the resident and non-resident Roman Catholics of the parish, an assessment based upon the annual municipal valuation roll, and affecting the properties only to the amount of the payment of the assessments due;

That the provisions of chapter first of title ninth of the Revised Statutes, 1909, do not meet the requirements of the petitioners; that in particular it is advisable, owing to the peculiar position of the said parish, to substitute for the corporation of parish trustees, a less complicated organization; and furthermore the petitioners need special facilities for effecting and repaying loans, and, owing to the rapid growth of the population and the frequent changes in ownership of property, it is necessary to change each year the rate of assessment to be imposed, and to limit the privilege by which the freeholders' immoveables will be affected to the amount of the payments due on the said assessment;

That for such purposes it is necessary that a special act be passed to that effect;

And whereas it is expedient to grant the prayer of the said petition;

Therefore, His Majesty, with the advice and consent of the Legislative Council and of the Legislative Assembly of Quebec, enacts as follows:
