PRESENT: THE LIEUTENANT-GOVERNOR in Council.

## RESPECTING MOTOR VEHICLES

Whereas the Honourable the Provincial Treasurer, in a report dated the 9th of February, 1920, sets forth: that the Lieutenant-Governor in Council may, under the authority of article 1432 of the Revised Statutes of Quebec, 1909, as amended by the act 1 George V (2nd session), chapter 16, section 8, alter the tariff of fees for the issue of certificates under the Motor-Vehicle Act and make such further regulations as he may deem necessary for the efficient working of such act;

That the following regulations be made:

1.—All applications for registration of motor-vehicles, under article 1395 of the Revised Statutes, 1909, must be approved of by the Provincial Treasurer before being acted upon. The applicant shall state the number of motor-vehicles sold or exchanged and delivered by him during the previous license year, and designate each type and trade name of motor-vehicles which he makes or in which he deals during the current license year, and the registration, if granted, shall cover only the types and trade names so designated.

2.—To be considered a manufacturer of, or dealer in, motor-vehicles, a person must sell or exchange and deliver, during a license year, at least three motor-vehicles of forty horse-power or more, or at least six motor-vehicles of twenty-five horse-power or more, or at least ten motor-vehicles of ten horse-power or more, and must report the same monthly, in compliance with article 1395a.

3.—The certificate of registration and the set of two X-marked plates issued with each certificate, under article 1395, shall not be transferable to any person nor with any motor-vehicle sold or exchanged by the manufacturer or dealer, and shall confer upon him only the privilege of using the set of X-marked plates on any one of the motor-vehicles of the type and trade name declared in his application, while owned or controlled by him and while used by him for purposes of demonstration.

4.—The fees for manufacturers' or dealers' certificates issued under article 1395 to the same person, shall be, in addition to the cost of the X-marked plates, the following: \$40 for the first certificate, \$15 for the second one, \$10 for the third one, and \$5 for every subsequent one.

5.—The Honourable Provincial Treasurer may, at any time, suspend or revoke the privilege granted by a certificate of registration issued under the said article 1395, for any violation of the Motor-Vehicle Act or of any of the regulations made thereunder, and may require that the certificate and the X-marked plates be surrendered.
