## CHAP. 68

An Act to amend the Revised Statutes, 1909, respecting work done on water-courses by riparian proprietors

[Assented to 9th February, 1918]

**HIS MAJESTY**, with the advice and consent of the Legislative Council and of the Legislative Assembly of Quebec, enacts as follows:

R. S., 7295a, enacted. **1.** The following article is inserted in the Revised Statutes, 1909, after article 7295 thereof, to wit:

Approval of Lt.-Gov. in C. required in certain case. **"7295a.** 1. No flood-gate, flume, embankment, dam, dike or similar work, the construction or maintenance of which will cause public property or the property of third persons or public or private rights to be affected, either by the backing up of the water or otherwise, shall be constructed or maintained in any of the water-courses referred to in article 7295, unless the site on which it is to be con-

structed has been approved by the Lieutenant-Governor in Council, nor unless it is constructed and maintained in accordance with plans and specifications likewise approved by the Lieutenant-Governor in Council. Plans and specifications.

2. If any such work is constructed without such approval, or if, after having been constructed, it is not kept up in accordance with the plans and specifications which have been so approved, the demolition of such work and the restoration of such public or private land to its original condition or to a condition as nearly as possible approaching thereto, may be ordered by any court of competent jurisdiction, upon an ordinary action instituted by the Crown or by any interested party, according as the land taken, occupied or affected is public or private property, without prejudice to any other recourse at law. On penalty of demolition.

3. Any corporation, partnership or person intending to establish, in any water referred to in article 7295, any of the works mentioned in that article, must make application by petition to the Lieutenant-Governor in Council, and forward such petition to the Minister of Lands and Forests, with a plan, specifications and a memorandum showing the site chosen, the nature of the construction and the land or lands, and the rights, which will be prejudicially affected,—and such plan and specifications must likewise be deposited at the registry office of the registration division where it is intended to carry on the work, where they may be examined by any person during office hours. Application by petition.

4. Moreover, notice, in accordance with Form A, must be given of the application and of the deposit of such plan and specifications, by advertisement published for one month in the *Quebec Official Gazette*, and also in the locality where it is proposed to carry on the work, in the manner in which municipal public notices are there published. Notice.

5. The Lieutenant-Governor in Council may approve, purely and simply, any plan and specifications submitted for approval, or may approve them subject to such modifications and conditions as he may deem useful or expedient. Approval of plan and specifications.

6. If the construction and maintenance of any work constructed under article 7295 affects prejudicially any public lands or any right of the Province, it shall be necessary to obtain from the Lieutenant-Governor in Council, in advance, in addition to the approval required by paragraph 5 of this article, in consideration of an annual rental or other remuneration, a concession of the lands or the rights which will be so affected. Concession must be obtained in certain case.

7. The Lieutenant-Governor in Council may make, Tariff of fees.

amend or repeal any tariff of fees that he may deem just, in regard to the approval of plans and specifications submitted under this article, and the examination and study found necessary.

Application  
of article.

8. The provisions of this article shall not apply to any work of the same nature as those referred to in article 7295, which has been constructed before the 9th of February, 1918.

Coming into  
force.

2. This act shall come into force on the day of its sanction.
