An Act to grant certain powers to St. Patrick's Parish,  
Montreal

[Assented to 22nd December, 1916]

**W**HEREAS the Fabrique of St. Patrick's Parish, Preamble.  
Montreal, has by its petition represented:

That the said St. Patrick's Parish, Montreal, has been and is canonically and civilly erected within defined limits in the city of Montreal;

That the Catholic High School of Montreal, a corporation created by act of the Legislature of Quebec in 1899, was authorized by its charter to establish a school in the city of Montreal to be known as the "Catholic High School of Montreal";

That in accordance with its charter the said corporation established such a school, and in recent years has carried on the same in leased premises, which are no longer sufficiently large to accommodate the increasing number of scholars attending the school;

That the governing board of the Catholic High School of Montreal, being obliged to seek another and more commodious location for the said school, and being unable to obtain a lease of buildings fitted for the purpose in a suitable locality, has requested St. Patrick's Parish, Montreal, to acquire the necessary land, to erect suitable buildings thereon, and to lease the same to the Catholic High School of Montreal;

That by the said charter the pastor of St. Patrick's Parish, Montreal, is a member of the said governing board, and *ex officio* is chairman thereof, and the said parish is, and from its inception has been, interested in said school;

That with the view of aiding the Catholic High School of Montreal to carry out its purpose, the Parish of St. Patrick's, Montreal, is willing to invest moneys to a certain extent in the purchase of land and the erection of suitable buildings, and to lease the same to the Catholic High School of Montreal for the purposes of the said school;

That doubt has been expressed as to the capacity and right of the said parish to acquire land and use its moneys for the purposes stated, and it is desirable to remove such doubt;
