## CHAP. 125

An Act respecting the estate of the late Louis Hermenegilde Hébert

[Assented to 22nd December, 1916]

**W**HEREAS Dame Elodie Gauthier, of the city and district of Montreal, widow of Louis Hermenegilde Hébert, in his lifetime of the same place, wholesale merchant, in her capacity of tutrix to her minor child, Magdeleine Hébert, has by petition represented: Preamble.

That by his will dated 31st of August, 1907, made and passed before Messrs. H. P. Pépin and René Leroux, notaries, in the city of Montreal, the said late Louis Hermenegilde Hébert bequeathed the whole of his property, without exception, to his daughter Magdeleine, one-half in full ownership, and the other half as institute, with the obligation to give back at her death the said half of her property to her legitimate children or descendants according to the order of succession;

That by the said will it was provided that the said Magdeleine Hébert should receive, but only on attaining her majority, the revenues from the half of the property bequeathed to her in full ownership;

That the said Louis Hermenegilde Hébert bequeathed a rent to his daughter Magdeleine Hébert, amounting to six hundred dollars yearly, out of the revenues of his

estate, until she should attain the age of twelve years, and of eight hundred dollars until she attains her majority;

That the said Louis Herménégilde Hébert died at Montreal on the 26th of January, 1908;

That the said Magdeleine Hébert is now fourteen years of age, and receives an annual rent of eight hundred dollars under the said will;

That the revenues from the said estate are very considerable, and increase from year to year;

That the rent paid the said Magdeleine Hébert is entirely disproportionate to her revenues;

That such rent is altogether insufficient for providing for the maintenance and education of the said Magdeleine Hébert, especially in view of the increase in the cost of living since the death of the said Louis Herménégilde Hébert;

That the financial condition of the said estate allows of the rent to the said Magdeleine Hébert being increased without burdening it, the testamentary executor having been heard;

And whereas it is expedient to grant the prayer contained in the said petition;

Therefore His Majesty, with the advice and consent of the Legislative Council and of the Legislative Assembly of Quebec, enacts as follows:

Annual  
payment to  
Magdeleine  
Hébert.

**1.** The testamentary executor appointed by the will of the said late Louis Herménégilde Hébert shall pay to the said Magdeleine Hébert, until she has attained her majority, an annual sum of two thousand four hundred dollars, to replace the annual rent of eight hundred dollars fixed by the will of the late Louis Herménégilde Hébert, passed before Messrs. H. P. Pepin & René Leroux, and dated the 31st of August, 1907, out of the portion bequeathed to her in full ownership.

Costs to be  
charged to  
capital.

**2.** The disbursements of the petitioner and of the testamentary executor, and also all the disbursement and fees of the lawyers of the petitioner and the testamentary executor incurred in connection with the passing of this act, shall be charged to the capital of the estate, and paid by the said testamentary executor, "*La Société d'Administration Générale*".

Coming into  
force.

**3.** This act shall come into force on the day of its sanction.
