CHAP. 132

An Act to authorize the College of Dental Surgeons of the Province of Quebec to admit Frank Mendel among its members.

[Assented to 16th March, 1916]

WHEREAS Frank Mendel, dental graduate, of the city and district of Montreal, has by his petition represented that he studied at the School of Dental Surgery of McGill University at Montreal, and completed four yearly sessions of the said school in the month of May, 1915, and received the degree of Doctor of Dental Surgery from the said McGill University;

That he has passed all the requisite examinations to permit him to practise dental surgery in the Province of Quebec, and that, on account of having passed the preliminary examinations for admission to study dental surgery only in September, 1914, he would in the ordinary course be obliged to wait four years from this date before being permitted to practise as a dentist in this Province;

That he is qualified in every way to practise as a dentist in the Province of Quebec, and that it would be a hardship to compel him to wait four years from September, 1914;

That the Board of Governors of the College of Dental Surgeons of the Province of Quebec have approved of the passing of an act to authorize the College of Dental Surgeons of the Province of Quebec to admit the petitioner as a member to practise dentistry in the said Province of Quebec;

Whereas the petitioner has prayed for the passing of an act for the purposes aforesaid, and it is expedient to grant the prayer of the said petition;

Therefore His Majesty, with the advice and consent of the Legislative Council and of the Legislative Assembly of Quebec, enacts as follows:

1. The College of Dental Surgeons of the Province of Quebec is authorized to admit the said Frank Mendel
