An Act respecting the *fabrique* of the parish of St. Bernardin de Sienne de Montréal.

[Assented to 5th March, 1915]

**W**HEREAS the parish priest and churchwardens of Preamble.  
*l'œuvre et fabrique* of the parish of St. Bernardin de Sienne de Montréal, have, by their petition, represented:

That the territory of the parish of St. Bernardin de Sienne has been formed by uniting portions of the territories of the two parishes of La Visitation du Sault-au-Recollet and of St. Léonard de Port-Maurice;

That the portion detached from the latter parish is still liable for the payment of an assessment imposed by the trustees of the parish of St. Léonard de Port-Maurice over seven years ago;

That, inasmuch as the debt which made such assessment necessary is in a great measure extinguished, and, on the other hand, the value of the immoveables of the parish of St. Léonard de Port-Maurice, affected by such assessment, has considerably increased;

That, on the contrary, the parish of St. Bernardin de Sienne, although burdened with a heavy debt, has as yet neither church, sacristy nor presbytery, and wishes to shortly begin the construction of such buildings;

That the parishioners of St. Bernardin de Sienne, detached, as aforesaid, from the parish of St. Léonard de Port Maurice, are thereby burdened with a double debt; and it is equitable that such a state of affairs be remedied;

That, moreover, the territory of the said parish adjoins that of the former parish of Notre-Dame de Montreal, and even includes a small portion of such territory; and it is necessary, in order to remove the doubts that have arisen on the subject, that the provisions of article 4320 of the Revised Statutes, 1909, be declared to apply to the parish;

That the *fabrique* has acquired certain lands, and has contracted a loan bearing a hypothec without obtaining the parishioners' authorization; and that uncertainty has arisen as to the validity of such acts, which it is expedient to remove;

Whereas the freehold inhabitants have given their consent to that effect;

Whereas it is expedient to grant the prayer contained in the said petition;

Therefore, His Majesty, with the advice and consent

of the Legislative Council and of the Legislative Assembly of Quebec, enacts as follows:
