An Act respecting the municipality of the parish of St. Léonard de Port Maurice concerning the homologation of the line of the "Grand Boulevard" through its territory and that of the adjoining municipalities.

[Assented to 19th February, 1914]

Preamble.

WHEREAS the municipality of the parish of St. Léonard de Port Maurice has, by its petition, prayed for the homologation of the line of the "Grand Boulevard" through the village of St. Michel de Laval, the parish of St. Léonard de Port Maurice, the town of Montreal East, the parish of La Pointe aux Trembles,

and the parish of St. Joseph de la rivière des Prairies from the western boundary of the village of St. Michel de Laval, and for the right in favour of the interested municipalities to expropriate, purchase by mutual agreement, open, macadamize and maintain such portion of the said boulevard, to regulate the buildings to be erected thereon, and to borrow all the necessary amounts for such purpose; and whereas it is expedient to grant its prayer;

Therefore, His Majesty, with the advice and consent of the Legislative Council and of the Legislative Assembly of Quebec, enacts as follows:

1. The councils of the corporations of the village of St. Michel de Laval, of the parish of St. Léonard de Port Maurice, of the town of Montreal East, of the parish la Pointe aux Trembles and of the parish of St. Joseph de la rivière des Prairies, may enact by-laws for the opening within their limits of a Grand Boulevard from the western boundary of the village of St. Michel de Laval to the eastern boundary of the parish of St. Joseph de la rivière des Prairies, of a width of one hundred and twenty-five feet, according to the plan made by F. C. Laberge, land surveyor, dated the 8th February, 1913.

These various by-laws shall be submitted to the approval of the interested proprietors along the length of the said Boulevard in the same manner as by-laws respecting loans are submitted to the electors of such municipalities, and such approbation shall be given by four-fifths of the interested electors who shall vote.

When such by-laws have been thus approved, the Superior Court of the district of Montreal, upon the summary petition of each of the councils of such municipalities, may confirm, ratify and homologate in whole or in part the line of the Grand Boulevard, and make such alternations as it sees fit, and thereafter the line shall be binding for all parties interested in each municipality.

This petition shall, however, be considered only after fifteen days notice published in the same manner as municipal notices, and calling upon all interested proprietors to show cause before the court, on the day and at the hour indicated, why the homologation of the line of the Grand Boulevard should not be made in whole or in part.

A copy of the plan of the line, or the part of it thus homologated, shall be deposited at the Prothonotary's office of the Superior Court of the district of Montreal. This copy shall be certified by the Prothonotary of the said Court in the following terms: "Confirmed by the Superior Court on day of 19"

May pass

The said expropriation shall be made according to the provisions of articles 5794 to 5800 inclusively, of the Revised Statutes, 1909.

paid by pro-
prieters of

such boule-

Assessment
roll.

The amounts to be assessed upon the proprietors shall be so assessed by a roll made by an officer appointed by the interested corporation.

The officer thus appointed shall deposit the roll in the office of the council of the corporation interested, as soon as it shall have been completed, and shall give a special notice within the eight days following, in accordance with articles 5575, 5576, 5577, and 5578 of the Revised Statutes, 1909. The said notice shall state that the said roll shall be open for examination by the interested parties or their representatives during the thirty days following such deposit. During the interval, whosoever may desire to complain, for himself or for another, of said roll as prepared, shall submit his objections to the officer thus named.

Officer to
adjudicate
on objec-
tions.

The officer shall hear and adjudicate in a summary manner, upon all objections made. The roll shall be signed by said officer, and shall thereupon come into force. The amounts therein mentioned shall then be due and payable within the thirty days following, and shall be collected from the proprietors of the immoveables affected, and shall be recoverable in the same manner as other taxes and rates.

3. The cost of opening, macadamising and maintaining the said boulevard shall be at the charge of the interested municipalities, each within the limits of its own territory.

In future, no factory, mill or workshop whatsoever shall be built on the Grand Boulevard from the eastern boundary of the parish of Rivière des Prairies to the western line of the municipality of the village of St. Michel de Laval. Wood-yards, coal-yards and the erection of ice houses thereon are also forbidden. Dwellings, shops and business houses shall be at a uniform distance of fifteen feet from the homologated lines of the said boulevard, shall be at least two stories high, and be built of stone or brick, or of wood faced with stone or brick. 6. Notwithstanding any law to the contrary, the council of any interested municipality is, for the purposes mentioned in this act, authorized to effect loans by means of issues of bonds or debentures of such municipality by-law to that effect adopted by the said council and approved by the Lieutenant-Governor in Council.
