[Assented to 25th April, 1903]

Preamble.

WHEREAS Joseph Patrick Dobbin, doctor of medicine, of the city of Quebec, has, by petition, represented :

That, on the 19th June, 1901, he obtained his diploma of bachelor in medicine, and on the 18th June, 1902, his diploma of doctor in medicine, from Laval University, Quebec, after regularly following the regular course of lectures of the said university ;

That, through ignorance of the law, he began to follow the course of lectures of the said university before obtaining his certificate of admission to the study of medicine ;

That he acquired knowledge of the law, during his second year, and immediately passed the necessary examination and was duly admitted to the study of medicine on the 25th September, 1900 ;

That he cannot at present obtain his license to practise medicine and surgery before September, 1904, and would lose the benefit of several years of medical studies ;

That he is qualified to practise medicine and surgery ;

That, without special authority of the Legislature, he would unjustly be prevented from practising his profession ;

Whereas he has prayed for the passing of an act declaring that he shall hereafter be a member of the College of Physicians and Surgeons of the Province of Quebec, and authorizing the said college to grant him the necessary license for the practice of his profession.

Therefore, His Majesty, with the advice and consent of the Legislative Council and of the Legislative Assembly of Quebec, enacts as follows :
