Contract ratified.

1. The contract contained in the appendix to this act, between the Government and the Montreal Exposition Company, passed on the tenth day of July, 1896, is approved and ratified.

2. If the company consents thereto, it shall nevertheless be lawful for the Lieutenant-Governor in Council to cancel the contract of the 6th May, 1895, made between the same parties in virtue of the act 58 Victoria, chapter 5, and to put an end to all agreements since arrived at, upon the following conditions :

(a) The company shall keep the insurance money, to wit : the sum of \$34,000, which it received after the fire in the Summer of 1896 ;

(b) An arbitration to value the buildings shall be held in conformity with the provisions of the said contract of the 6th of May, 1895 ; but the Government shall in no case be obliged to pay for the said buildings, in consequence of the said arbitration, a sum exceeding \$60,000 ;

(c) The Government shall, for the future, be discharged from the obligation of paying any sum whatever to the company for holding an exhibition ;

(e) The amount so payable after the said deduction shall be taken out of the price of the sale of the exhibition grounds ; but if such sale has not taken place on the said 1st of August, or if on the said date the Government has not, out of the sale, drawn sufficient to pay the sum coming to the company, the Government shall pay interest at 4 per cent. for the whole time between the 1st August, 1897, and the 1st January, 1898, and thereafter at 6 per cent. until paid.

(f) The company shall not have any claim, either directly or indirectly, against the Government, for any cause whatever, saving for the sum coming to it under the said arbitration, and for the sum of \$13,000 mentioned in the contract ratified by section 1 of this act, for the holding of the exhibition in 1896.

3. This act shall come into force on the day of its sanction.
