Preamble.

That he has followed a complete course of medicine at Laval University, in Quebec, for over three years, and will complete his medical studies there in March next, one thousand eight hundred and ninety-seven ;

That he commenced to follow the course of medicine before having obtained his certificate of admission to the study of medicine ;

That he has been unable, for private reasons, to present himself for examination to be admitted to the study of medicine ;

That he obtained the diploma of Bachelor of Medicine of Laval University, in Quebec, after having duly followed the regular courses in the said university ;
