

That, instead of himself choosing the person who shall have the administration of the portion coming to each root, it would be preferable, in the interest of the institutes and substitutes, that curators be appointed in the ordinary manner for each root of institutes and substitutes under the said substitution, to which curators the said Louis Marin shall render an account of his administration, and shall hand over the property belonging to such root and from whom he shall obtain a final discharge as such administrator, and his powers shall from thenceforward cease for ever ;

And whereas the institutes and substitutes have, by their petitions, prayed that the necessary powers be granted to the said Louis Marin, and it is expedient to grant their prayer ;

Therefore, Her Majesty, by and with the advice and consent of the Legislature of Quebec, enacts as follows :

1. The said Louis Marin, administrator of the estate of the late Louis Marin, his father, under the will and codicils above mentioned, may proceed with the appointment, in the ordinary manner, of a curator for each root called to the substitution created by the said will and codicils,—which said curators shall be subject to all the obligations imposed by law upon curators, except the making of the inventory,—to whom the said Louis Marin shall be bound to render account of his administration and to hand over the property composing the lot awarded to such root ; and, after having handed over these lots, the said Louis Marin shall be freed from all responsibility as such administrator, and his powers, as well as those conferred upon his successors in office under the will and codicils, shall cease.

Appointment  
of curators to  
substitution  
authorized.

Powers and  
duties of such  
curators, &c.

Ceasing of  
powers of  
Louis Marin.
