COPY of a report of a Committee of the Honourable the Executive Council, dated the 16th August, 1894, approved by the Lieutenant-Governor on the 17th August, 1894.

Concerning the dues on Pulp-wood.

The Honourable the Commissioner of Crown Lands, in a report dated the sixteenth of August instant (1894), sets forth that the present rate of dues chargeable on spruce logs for paper pulp is 25c. per cord of 128 cubic feet, and that it is considered advisable to raise it, while allowing a reduction when pulp-wood is to be manufactured in this Province.

Therefore, the Honourable the Commissioner recommends that the rate of dues on spruce logs for paper pulp be fixed at 40c. per cord of 128 cubic feet, but that a reduction of 15c. per cord be allowed when the pulp-wood is to be manufactured in this Province.

Clerk of the Executive Council.
