CAP. XLVIII.

An Act to amend the Code of Civil Procedure.

[Assented to 8th January, 1894.]

HER MAJESTY, by and with the advice and consent of the Legislature of Quebec, enacts as follows :

1. Article 638 of the Code of Civil Procedure is amended by adding the following clause to paragraph 3 thereof : C. C. P., art. 638, amended.

" If the property seized consists of a line of railway and its accessories, and such line has not been cadastred in accordance with article 5668 of the Revised Statutes, it is not necessary to indicate the numbers of the immoveables traversed by such railway, and it is sufficient if the name of the line and its terminal points be mentioned, so that its identity may be established." Description of railway not cadastred, in cases of seizure.

2. Article 650 of the said Code is amended by adding thereto the following clause : C. C. P., art. 650, amended.

" However, when the seizure of a line of railway traversing several parishes or counties is concerned, such notice shall be given by the secretary-treasurer of each municipality." Notice by whom given, if railway, traversing several counties, is seized.

3. Article 671 of the said Code, as it is contained in article 5937 of the Revised Statutes, is amended by adding thereto the following clause : C. C. P., art. 671, amended.

"Whenever the sale of a line of railway is concerned, such sale must be made at the office of the sheriff entrusted with the writ of execution." Where railway under seizure must be sold.

4. Article 689 of the said Code is amended by adding the following clause after pargraph 3 thereof : C. C. P., art. 689, amended.

" In case the immoveable property seized and sold is a line of railway, which is not cadastred, and the accessories thereof, it is sufficient to mention in the description, the name of such line and its terminal points, so that its identity may be established." Description, if railway not cadastred is seized and sold.

5. This act shall come into force thirty days after its sanction. Coming into force.
