

## C A P. I X .

An Act respecting the maintenance of the insane in  
Beauport Asylum.

[Assented to 27th February, 1893.]

Preamble.

**W**HEREAS the contract with the present proprietors of Beauport Asylum expires on the thirtieth of April next;

Whereas, by Order in Council, dated the sixth of July last, approved on the eighth of July also last past, it is declared that it is expedient to confide to a religious community the care of the insane in Beauport Asylum;

Whereas the community of the Sisters of Charity at Quebec has offered to undertake the care of the said insane, and for that purpose to purchase Beauport Asylum and its dependencies;

Whereas a valuation was made by experts to establish the value of the asylum, its dependencies and its contents;

Whereas the said valuation was not to bind the parties and was to be concluded on or before the fifteenth of August last, but was not made and completed within the specified delay;

Whereas the experts appointed made different reports, two of them giving a commercial value of over seven hundred thousand dollars to the said asylum, its dependencies and its contents, and another of the said experts estimating the whole at three hundred and eleven thousand dollars;

Whereas, in consequence of this great difference between the reports of the experts, it has been impossible for the interested parties to come to an agreement;

Whereas it is advisable to make at present a temporary arrangement which will enable the Government to study the question still more and to come to a decision favourable to the public interest;

Therefore, Her Majesty, by and with the advice and consent of the Legislature of Quebec, enacts as follows:
