An Act to authorize the Pharmaceutical Association of the Province of Quebec to grant to Dame Léa Addée Drolet, wife of Odilon Jean Dion, a certificate of licentiate of pharmacy.

[Assented to 27th February, 1893.]

WHEREAS, by her marriage contract in the year one thousand eight hundred and seventy-three, Dame Léa Addée Drolet acquired the ownership of the drug store, then kept by her husband, Odilon Jean Dion ; Preamble.

Whereas, under the act 38 Victoria, chapter 37, every person doing business as chemist and druggist, before the year one thousand eight hundred and seventy-five, was entitled to be inscribed upon the register and to obtain a certificate of licentiate of pharmacy, and by the act 48 Victoria, chapter 36, this was limited to persons who should apply within twelve months ;

Whereas the said Dame Léa Addée Drolet was entitled, under the said act, to obtain her certificate of licentiate of pharmacy ; but she has allowed the delay fixed by law for applying for inscription to expire without making such application, and suffers from such omission ; and whereas, moreover, the said Dame Léa Addée Drolet is represented to possess the professional knowledge and capacity required of licentiates of pharmacy, and it is expedient to grant her prayer for the passing of an act authorizing the Pharmaceutical Association of the Province of Quebec to grant her a certificate of licentiate ; which prayer is authorized by the council of the said association ;

Therefore, Her Majesty, by and with the advice and consent of the Legislature of Quebec, enacts as follows :

Dame L. A. Drolet may receive license as chemist, &c., upon payment of fees.

1. The Pharmaceutical Association of the Province of Quebec is authorized to grant to Dame Léa Addée Drolet, through its officers, a certificate of licentiate of pharmacy, and to inscribe her upon the register kept for such purpose, and to confer upon her all the rights and privileges enjoyed by the holders of such certificates, and may deliver a certificate to her upon payment of the fees required in such cases.

Coming into force.

2. This act shall come into force on the day of its sanction.

CAP. CI.

An Act to authorize the Bar of the Province of Quebec to admit William Hughes Davidson among its members after examination.

[Assented to 27th February, 1893.]

Preamble.

WHEREAS William Hughes Davidson, of the city of Quebec, student-at-law, has, by petition, represented :

That he has studied law in the office of Messrs. Caron, Pentland and Stuart, of Quebec, since January, 1888 ;

That he passed one half of the preliminary examination in July, 1888, and did not pass the second half until January, 1890, owing to sickness, and was then admitted to study, but neglected to get his certificate of admission registered until the beginning of 1891 ;

That he has attended all the lectures in law, at Laval University, since his admission to study up to the present time, and will complete his course there, and obtain his degree when the examinations take place in June next ;

That he has thus in reality served his full time as a law-student, both in the office and at the University ;

That he is very desirous of now passing his examination for admission to practise law, but that the Bar cannot admit him to such examination until January, 1895, unless authorized by the Legislature so to do ;

That, if he be compelled to wait until that date, a very serious loss of time will be entailed, which he cannot afford ;

Whereas he has prayed for the passing of an act to authorize the Bar to admit him to practise law, as soon as he shall have passed the examination required by law ;

And whereas the General Council of the Bar consents to the passing of such an act, and it is expedient to grant the prayer of the said petition ;

Therefore, Her Majesty, by and with the advice and consent of the Legislature of Quebec, enacts as follows :
