CAP. CI.

An Act to authorize the Bar of the Province of Quebec to admit William Hughes Davidson among its members after examination.

[Assented to 27th February, 1893.]

Preamble.

WHEREAS William Hughes Davidson, of the city of Quebec, student-at-law, has, by petition, represented :

That he has studied law in the office of Messrs. Caron, Pentland and Stuart, of Quebec, since January, 1888 ;

That he passed one half of the preliminary examination in July, 1888, and did not pass the second half until January, 1890, owing to sickness, and was then admitted to study, but neglected to get his certificate of admission registered until the beginning of 1891 ;

That he has attended all the lectures in law, at Laval University, since his admission to study up to the present time, and will complete his course there, and obtain his degree when the examinations take place in June next ;

That he has thus in reality served his full time as a law-student, both in the office and at the University ;

That he is very desirous of now passing his examination for admission to practise law, but that the Bar cannot admit him to such examination until January, 1895, unless authorized by the Legislature so to do ;

That, if he be compelled to wait until that date, a very serious loss of time will be entailed, which he cannot afford ;

Whereas he has prayed for the passing of an act to authorize the Bar to admit him to practise law, as soon as he shall have passed the examination required by law ;

And whereas the General Council of the Bar consents to the passing of such an act, and it is expedient to grant the prayer of the said petition ;

Therefore, Her Majesty, by and with the advice and consent of the Legislature of Quebec, enacts as follows :

1. The Bar of the Province of Quebec may admit William Hughes Davidson as an attorney and advocate, and to practise law as such, so soon as he shall have passed the examination required by the law respecting the Bar of the Province of Quebec, by paying the fees exacted for admission to practice; provided, always, that the said William Hughes Davidson may be admitted to pass his examinations in the month of July, 1893, if the General Council of the Bar consent thereto.

Bar authorized to admit A. H. Davidson to practise after examination.
