

Therefore, Her Majesty, by and with the advice and consent of the Legislature of Quebec, enacts as follows :

F. Laroche  
authorized to  
obtain license  
to practise as  
a physician,  
etc.

**I.** The said Felix Laroche shall be authorized to obtain from the College of Physicians and Surgeons of the Province of Quebec, acting through its governors, the ordinary license, authorizing him to practise Medicine, Surgery and the science of Obstetrics, in this Province, and constituting him a member of such corporation with all the privileges attached to such title, at its next half-yearly meeting following the coming into force of this Act, which shall be on the day of its sanction.

C A P . C X X X I I .

An Act to regularize the clerkship of Aimé Prosper Aquila Pichette and permit the Provincial Medical Board to admit him amongst its members.

[Assented to 12th July, 1888.]

Preamble.

**W**HEREAS Aimé Prosper Aquila Pichette, of the Town of Nicolet, district of Three Rivers has studied medicine during three years, from the first of September, one thousand eight hundred eighty-four, and he has followed lectures on medicine in an incorporated University at Montreal, but through an error he procured his certificate of admission to the study of Medicine and Surgery only on the twenty-eighth September, one thousand eight hundred and eighty-seven ; whereas, by this informality, he is exposed to lose the benefit of two years of medical studies ;

Therefore, Her Majesty, by and with the advice and consent of the Legislature of Quebec, enacts as follows :

A. P. A. Pi-  
chette may  
receive license  
to practise  
medicine  
after examina-  
tion.

**I.** As soon as the said Aimé Prosper Aquila Pichette shall have completed four years of medical studies, dating from the first of September, one thousand eight hundred and eighty-four, the Provincial Medical Board may grant to the said Aimé Prosper Aquila Pichette a license to practise Medicine, Surgery and the Science of Obstetrics, provided he passes the necessary examinations and complies with the other conditions prescribed.
